Important Note:
All dimensions to be taken in preference to scaling and all setting out details and other unspecified details are to be given.
Work to be carried out to the British Building Regulations current at the date of tender unless otherwise stated.
All materials, goods, types, positions and patterns of workmanship as indicated on drawings are to be verified by the appointed contractor on site prior to ordering or fixing. Any discrepancies must be reported to the architect/surveyor/engineer or responsible person immediately.
The contractor is responsible for ensuring compliance with the relevant bylaws, and appropriate health & safety on site precautions. No dimensions are to be taken from drawings unless necessary and indicated on site, prior to ordering the relevant items.
This drawing is copyrighted & may not be reproduced or used in any manner unless written permission of the copyright holder is obtained.
This drawing is to be read in conjunction with all relevant architect, service engineer's and drawings and specifications.
