CDM NOTES:
CDM REGULATION 2015 : DESIGNERS NOTES ON SIGNIFICANT RESIDUAL RISKS
In preparing this design Hester Architects have attempted to avoid using materials and techniques which could cause future hazards whilst constructing, using, maintaining or de-commissioning the building.
The following risks could not be designed out and should be carefully monitored on site during the construction period and during any future maintence of the structure. These notes relate solely to information shown on this drawing. Only significant risks which are considered to be unusual, or unlikely to be obvious to a competent contractor or other designer wil be highlighted. This information is subject to revision as the design develops.

Particularly hazardous areas are highlighted with ⚠ on the drawing and noted above
