TOWN AND COUNTRY PLANNING ACT 1990 (AS AMENDED)

GRANT OF PLANNING PERMISSION

The Council of the London Borough of Hillingdon as the Local Planning Authority within the meaning of the above Act and associated Orders **GRANTS** permission for the following:-

Application number: 38719/APP/2023/1102

Date your planning application was submitted: 14th April 2023

Site location: 29 Gledwood Avenue Hayes

Description:

Erection of a part single and part two storey extension to the rear with new side facing window at ground floor level following demolition of existing garage.

Application submitted by: Mr Joga Jutley

Plans that this decision was based on: See attached Schedule of Plans

Permission is subject to the condition(s) listed below:-

1. The development hereby permitted shall be begun before the expiration of three years from the date of this permission.

REASON

To comply with Section 91 of the Town and Country Planning Act 1990.

2. The development hereby permitted shall not be carried out except in complete accordance with the details shown on the submitted plans, numbers:

P/2023/04 Proposed floor plans

P/2023/05 Proposed elevations.

REASON

To ensure the development complies with the provisions of the Hillingdon Local Plan Part 1 (2012) and Part 2 (2020), and the London Plan (2021).

3. The materials to be used in the construction of the external surfaces of the development hereby permitted shall match those used in the existing building and shall thereafter be retained as such.

REASON

To safeguard the visual amenities of the area and to ensure that the proposed development does not have an adverse effect upon the appearance of the existing building in accordance with Policy DMHB 11 of the Hillingdon Local Plan Part 2 (2020)

4. Notwithstanding the provisions of the Town and Country Planning (General Permitted Development) Order 2015 (as amended) (or any order revoking and re-enacting that Order with or without modification), no additional windows, doors or other openings shall be constructed in the walls or roof slopes of the development hereby approved.

REASON

REASON

To prevent overlooking to adjoining properties in accordance with policy policy DMHB 11 of the Hillingdon Local Plan Part 2 (2020).

INFORMATIVES

1. The Council will recover from the applicant the cost of highway and footway repairs, including damage to grass verges.

Care should be taken during the building works hereby approved to ensure no damage occurs to the verge or footpaths during construction. Vehicles delivering materials to this development shall not override or cause damage to the public footway. Any damage will require to be made good to the satisfaction of the Council and at the applicant's expense.

For further information and advice contact - Highways Maintenance Operations, Central Depot - Block K, Harlington Road Depot, 128 Harlington Road, Hillingdon, Middlesex, UB3 3EU (Tel: 01895 277524).

For Private Roads: Care should be taken during the building works hereby approved to ensure no damage occurs to the verge of footpaths on private roads during construction. Vehicles delivering materials to this development shall not override or cause damage to a private road and where possible alternative routes should be taken to avoid private roads. The applicant may be required to make good any damage caused.

STANDARD INFORMATIVES

1. The decision to **GRANT** planning permission has been taken having regard to all relevant planning legislation, regulations, guidance, circulars and Council policies, including The Human Rights Act (1998) (HRA 1998) which makes it unlawful for the Council to act incompatibly with Convention rights, specifically Article 6 (right to a fair hearing); Article 8 (right to respect for private and family life); Article 1 of the First Protocol (protection of property) and Article 14 (prohibition of discrimination).

2. The decision to **GRANT** planning permission has been taken having regard to all relevant planning legislation, regulations, guidance, circulars and Council policies, including The Human Rights Act (1998) (HRA 1998) which makes it unlawful for the Council to act incompatibly with Convention rights, specifically Article 6 (right to a fair hearing); Article 8 (right to respect for private and family life); Article 1 of the First Protocol (protection of property) and Article 14 (prohibition of discrimination).
3. You are advised this permission is based on the dimensions provided on the approved drawings as numbered above. The development hereby approved must be constructed precisely in accordance with the approved drawings. Any deviation from these drawings requires the written consent of the Local Planning Authority.
4. You are advised that if any part of the development hereby permitted encroaches by either its roof, walls, eaves, gutters, or foundations, then a new planning application may have to be submitted. The validity of this planning permission may be challengeable by third parties if the development results in any form of encroachment onto land outside the applicant's control for which the appropriate Notice under Article 13 of the Town and Country Planning (Development Management Procedure) (England) Order 2015 has not been served.
5. Your attention is drawn to the need to comply with the relevant provisions of the Building Regulations, the Building Acts and other related legislation. These cover such works as - the demolition of existing buildings, the erection of a new building or structure, the extension or alteration to a building, change of

use of buildings, installation of services, underpinning works, and fire safety/means of escape works. Notice of intention to demolish existing buildings must be given to the Council's Building Control Service at least 6 weeks before work starts. A completed application form together with detailed plans must be submitted for approval before any building work is commenced. For further information and advice, contact - Residents Services, Building Control, 3N/01 Civic Centre, Uxbridge (Telephone 01895 558170).

6. You have been granted planning permission to build a residential extension. When undertaking demolition and/or building work, please be considerate to your neighbours and do not undertake work in the early morning or late at night or at any time on Sundays or Bank Holidays. Furthermore, please ensure that all vehicles associated with the construction of the development hereby approved are properly washed and cleaned to prevent the passage of mud and dirt onto the adjoining highway. You are advised that the Council does have formal powers to control noise and nuisance under The Control of Pollution Act 1974, the Clean Air Acts and other relevant legislation. For further information and advice, please contact - Environmental Protection Unit, 4W/04, Civic Centre, High Street, Uxbridge, UB8 1UW (Tel. 01895 250190).
7. The Party Wall Act 1996 requires a building owner to notify, and obtain formal agreement from, any adjoining owner, where the building owner proposes to:
 - carry out work to an existing party wall;
 - build on the boundary with a neighbouring property;
 - in some circumstances, carry out groundworks within 6 metres of an adjoining building.Notification and agreements under this Act are the responsibility of the building owner and are quite separate from Building Regulations, or Planning Controls. The Building Control Service will assume that an applicant has obtained any necessary agreements with the adjoining owner, and nothing said or implied by the Council should be taken as removing the necessity for the building owner to comply fully with the Party Wall Act. Further information and advice is to be found in "the Party Walls etc. Act 1996 - explanatory booklet" published by the ODPM, available free of charge from the Residents Services Reception Desk, Level 3, Civic Centre, Uxbridge, UB8 1UW.
8. Your attention is drawn to the fact that the planning permission does not override property rights and any ancient rights of light that may exist. This permission does not empower you to enter onto land not in your ownership without the specific consent of the owner. If you require further information or advice, you should consult a solicitor.
9. Nuisance from demolition and construction works is subject to control under The Control of Pollution Act 1974, the Clean Air Acts and other related legislation. In particular, you should ensure that the following are complied with:-

A. Demolition and construction works which are audible at the site boundary shall only be carried out between the hours of 08.00 and 18.00 hours Monday to Friday and between the hours of 08.00 hours and 13.00 hours on Saturday. No works shall be carried out on Sundays, Bank or Public Holidays.

B. All noise generated during such works shall be controlled in compliance with British Standard Code of Practice BS 5228:2009.

C. Dust emissions shall be controlled in compliance with the Mayor of London's Best Practice Guidance 'The Control of dust and emissions from construction and demolition.

D. No bonfires that create dark smoke or nuisance to local residents.

You are advised to consult the Council's Environmental Protection Unit (www.hillingdon.gov.uk/noise) Tel. 01895 250155) or to seek prior approval under Section 61 of the Control of Pollution Act if you

anticipate any difficulty in carrying out construction other than within the normal working hours set out in (A) above, and by means that would minimise disturbance to adjoining premises.

10. You are advised that care should be taken during the building works hereby approved to avoid spillage of mud, soil or related building materials onto the pavement or public highway. You are further advised that failure to take appropriate steps to avoid spillage or adequately clear it away could result in action being taken under the Highways Act 1980.
11. To promote the development of sustainable building design and construction methods, you are encouraged to investigate the use of renewable energy resources which do not produce any extra carbon dioxide (CO2) emissions, including solar, geothermal and fuel cell systems, and use of high quality insulation.
12. The Council will recover from the applicant the cost of highway and footway repairs, including damage to grass verges.

Care should be taken during the building works hereby approved to ensure no damage occurs to the verge or footpaths during construction. Vehicles delivering materials to this development shall not override or cause damage to the public footway. Any damage will require to be made good to the satisfaction of the Council and at the applicant's expense.

For further information and advice contact - Highways Maintenance Operations, Central Depot - Block K, Harlington Road Depot, 128 Harlington Road, Hillingdon, Middlesex, UB3 3EU (Tel: 01895 277524).

For Private Roads: Care should be taken during the building works hereby approved to ensure no damage occurs to the verge of footpaths on private roads during construction. Vehicles delivering materials to this development shall not override or cause damage to a private road and where possible alternative routes should be taken to avoid private roads. The applicant may be required to make good any damage caused.

1. CONSIDERATIONS

1.1 Site and Locality

The application site comprises a two storey semi-dwelling situated on the northern side of Gledwood Avenue. The property has had a recent roof extension with rear dormer, a front porch, a single storey rear conservatory, and rear outbuilding. The property sits within a rectangular shaped plot with a substantial sized rear garden.

The surrounding area is residential in character and is made up of a group of dwellings that are of a similar size, scale and appearance. Many of the house's have adopted more traditional gabled roofs. The site backs onto properties facing Balmoral Drive. There are no heritage policy constraints.

1.2 Proposed Scheme

The application seeks planning permission for the erection of a part single and part two storey extension to the rear with new side facing window at ground floor level following demolition of existing garage.

1.3 Relevant Planning History

Comment on Planning History

The relevant planning history is listed above.

2. Advertisement and Site Notice

2.1 Advertisement Expiry Date: Not applicable

2.2 Site Notice Expiry Date: Not applicable

3. Comments on Public Consultations

7 neighbouring properties were consulted by letter dated 4.5.23. There was no local response.

Highways - No objection.

4. Local Plan Designation and London Plan

The following Local Plan Policies are considered relevant to the application:-

Part 1 Policies:

PT1.BE1 (2012) Built Environment

Part 2 Policies:

DMHB 11 Design of New Development

DMHB 12 Streets and Public Realm

DMHB 18 Private Outdoor Amenity Space

DMHD 1 Alterations and Extensions to Residential Dwellings

DMT 2 Highways Impacts

DMT 6 Vehicle Parking

LPP D4 (2021) Delivering good design

LPP D6 (2021) Housing quality and standards

5. MAIN PLANNING ISSUES

The main considerations are the design and impact on the character of the existing property, the impact upon the streetscene and locality the impact upon the amenities of adjoining occupiers, the reduction in size of the rear garden and car parking provision.

The Hillingdon Local Plan: Part One Strategic Policy BE1 seeks a quality of design in all new development that enhances and contributes to the area in terms of form, scale and materials; is appropriate to the identity and context of the townscape; and would improve the quality of the public realm and respect local character.

Policy DMHB 11 of the Hillingdon Local Plan: Part Two - Development Management Policies (2020) advises that all development will be required to be designed to the highest standards and incorporate principles of good design. It should take into account aspects including the scale of the development considering the height, mass and bulk of adjacent structures; building plot sizes and established street patterns; building lines and streetscape rhythm and landscaping. It should also

not have an adversary impact on the amenity, daylight and sunlight of adjacent properties and open space.

Policy DMHD 1 requires that alterations and extension of dwellings would not have an adverse cumulative impact on the character and appearance of the street scene, and should appear subordinate to the main dwelling. It also required that there is no unacceptable loss of outlook to neighbouring occupiers.

With regard to rear extensions Policy DMHD1 requires:

- i) single storey rear extensions on terraced or semi-detached houses with a plot width of 5 metres or less should not exceed 3.3 metres in depth or 3.6 metres where the plot width is 5 metres or more; ii) single storey rear extensions to detached houses with a plot width of 5 metres or more should not exceed 4.0 metres in depth;
- iii) flat roofed single storey extensions should not exceed 3.0 metres in height and any pitched or sloping roofs should not exceed 3.4 metres in height, measured from ground level;
- iv) in Conservation Areas and Areas of Special Local Character, flat roofed single storey extensions will be expected to be finished with a parapet; v) balconies or access to flat roofs which result in loss of privacy to nearby dwellings or gardens will not be permitted;
- vi) two storey extensions should not extend into an area provided by a 45-degree line of sight drawn from the centre of the nearest ground or first floor habitable room window of an adjacent property and should not contain windows or other openings that overlook other houses at a distance of less than 21 metres;
- vii) flat roofed two storey extensions will not be acceptable unless the design is in keeping with the particular character of the existing house;
- viii) pitched roofs on extensions should be of a similar pitch and materials to that of the original roof and subordinate to it in design. Large crown roofs on detached houses will not be supported; and
- ix) full width two storey rear extensions are not considered acceptable in designated areas or as extensions to Listed Buildings or Locally Listed Buildings.

The proposed rear extension would project 6m in depth across the entire width of the property at ground floor level finished with a flat roof. The first floor would be in line with the flank wall of the original dwelling, projecting 3.6m in depth and have a width of 2.94m. The first floor extension would have a pitched roof set down from that on the original dwelling. Whilst the ground floor extension would exceed the maximum depth guidance contained within policy DMHD1, the extension would appear subordinate in scale and would not be dissimilar to others within the area. The massing of the rear extension would, to some extent be compensated by the loss of the existing garage and conservatory. It is considered that the proposed extension would not result in visual harm to the character and appearance of the area.

Policy DMHB 11 of the Hillingdon Local Plan: Part Two - Development Management Policies (2020) states that development proposals should not adversely impact on the amenity, daylight and sunlight of adjacent properties and open space. The adjoining property at Number 31 has been extended to the rear at ground floor level by an extension projecting approximately 3m. The rearwards projection beyond this extension is not considered to give rise to an undue loss of light or outlook. Given the degree of separation and the extension at number 27, the proposed ground floor element is not considered to give rise to an undue loss of amenity to the occupants of number 27. The submitted plans confirm that the 45 degree line would not be breached from rear facing windows of both adjacent properties.

The side facing ground floor window is not considered to give rise to an undue loss of amenity,

It is considered that all the proposed habitable rooms, and those altered by the extension, would maintain an adequate outlook and source of natural light, therefore complying with Policy D6 of the

London Plan (2021).

In terms of the garden area the development would fulfill the Part 2 Policy DMHD1 appendix A, Part A) vi), which states that for Alterations and extensions to residential dwellings; adequate garden space is retained.

The parking provision would remain unaffected by the proposal.

The application is recommended for approval.

6. RECOMMENDATION
