Jane,

Thank you for your e-mail and photos.

Providing the porch doesn't exceed 3m in height it won't require planning permission.

Please note that the comments made in this email represent officer opinion and cannot be seen to prejudice the Local Planning Authority's formal determination in relation to any application or planning matter.

Regards

You don't often get email from jmuyinga@yahoo.com. [Learn why this is important](#)

Dear planning Team,

I live at the above property and it's above the garage. I own the property.

I am paying too much on heating having a porch will lower my billing and preserve the heat.

Find attached pictures for the porch and front of my house. The porch will be 1.5 by 1 meter.

Do I need planning permission for this. Kindly please advise.

Kind regards
Jane Muyingo
