2.1 Advertisement Expiry Date:- Not applicable

2.2 Site Notice Expiry Date:- Not applicable

3. Comments on Public Consultations

2 neighbours were consulted on 23rd October 2018 and a site notice displayed. No comments received.

Ickenham Residents Association:

It is not possible for us to determine whether the ground floor rear extension had already been built, however, comparing the proposed design for 2016/1074 with this new p/a, there are now officially two side dormers shown, whereas on the previous application there was only one, which had been blanked out.

We think that the LBH Schedule of Reasons for Refusal for 15585/APP/2016/1074 dt. 09.05.16 still apply.

4. UDP / LDF Designation and London Plan

The following UDP Policies are considered relevant to the application:-

Part 1 Policies:

PT1.BE1 (2012) Built Environment

Part 2 Policies:

AM14 New development and car parking standards.

BE13 New development must harmonise with the existing street scene.

BE15 Alterations and extensions to existing buildings

BE19 New development must improve or complement the character of the area.

BE20 Daylight and sunlight considerations.

BE21 Siting, bulk and proximity of new buildings/extensions.

BE22 Residential extensions/buildings of two or more storeys.

BE23 Requires the provision of adequate amenity space.

BE24 Requires new development to ensure adequate levels of privacy to neighbours.

BE38 Retention of topographical and landscape features and provision of new planting and landscaping in development proposals.

HDAS-EXT Residential Extensions, Hillingdon Design & Access Statement, Supplementary Planning Document, adopted December 2008

LPP 3.5 (2016) Quality and design of housing developments

LPP 5.3 (2016) Sustainable design and construction

5. MAIN PLANNING ISSUES

The main issues for consideration in determining this application relate to the effect of the proposal on the character and appearance of the original dwelling, the impact on the visual amenities of the surrounding area, the impact on residential amenity of the neighbouring dwellings, provision of acceptable residential amenity for the application property and the availability of parking.

Policy BE1 of the Hillingdon Local Plan: Part 1 - Strategic Policies (November 2012) is relevant to this application. Section 1 of this policy requires development to be of a high quality of design which enhances the local distinctiveness of the area and section 2 requires that it makes a positive contribution to the local area in terms of layout, form, scale and materials and seek to protect the amenity of surrounding land and buildings, particularly residential properties.

As the Inspector allowed the previous extensions in 2016, this report will focus on the amendments proposed which is the side dormer window and the window in the approved dormer window.

Paragraph 7.8 of the HDAS states that in order to prevent harm to the character and appearance of the existing property and surrounding area, dormers proposed on detached dwellings should be set down below the ridge of the original roof by at least 0.3 m, set above the eaves by 0.5 m and set in from each side of the roof face by 1.0 m. A flat roofed dormer will usually be acceptable and the materials and fenestration should be similar to those used on the main house.

The proposed side dormer windows would be large with a flat roof, solely for the purpose of providing a little more floor space in the attic rooms.

The application property is sited such that both side roof slopes are very visually prominent within the street scene and the existing unsightly side dormer is clearly visible. The proposed dormers would appear very prominent on the side roof slopes and given their overall size, scale, bulk and design, would fail to harmonise with the architectural composition of the original dwelling and would be detrimental to the character, appearance and visual amenities of the street scene and the surrounding area. Therefore the proposal would be contrary to Policy BE1 of the Hillingdon Local Plan: Part One - Strategic Policies (November 2012), Policies BE13, BE15 and BE19 of the Hillingdon Local Plan: Part Two - Unitary Development Plan Saved Policies (November 2012) and the adopted Supplementary Planning Document HDAS: Residential Extensions.

It is considered, that all the proposed habitable rooms, and those altered by the development still maintain an adequate outlook and source of natural light, therefore complying with Policy 3.5 of the London Plan (2016).

Over 100 sqm of private amenity space would be retained which is considered to be adequate for the application property and would be in compliance with policy BE23 of the Hillingdon Local Plan: Part Two - Saved UDP Policies (November 2012).

The existing driveway would provide parking for two cars. The application proposal would therefore be in compliance with policy AM14 of the saved UDP, September 2007, and the Council's adopted Car Parking Standards (Annex 1, Hillingdon Local Plan: Part Two - Saved UDP Policies, November 2012).

This application is therefore recommended for refusal.

6. RECOMMENDATION

REFUSAL for the following reasons:

1 NON2 Non Standard reason for refusal

The roof alteration/extensions, by reason of the size, scale, bulk and design of the dormer windows would fail to harmonise with the architectural composition of the original dwelling and would be detrimental to the character, appearance and visual amenities of the street scene and the surrounding area. Therefore the proposal would be contrary to Policy BE1 of the Hillingdon Local Plan: Part One - Strategic Policies (November 2012), Policies BE13, BE15 and BE19 of the Hillingdon Local Plan: Part Two - Unitary Development Plan Saved Policies (November 2012) and the adopted Supplementary Planning Document HDAS: Residential Extensions.

INFORMATIVES

- 1** On this decision notice policies from the Councils Local Plan: Part 1 - Strategic Policies appear first, then relevant saved policies (referred to as policies from the Hillingdon Unitary Development Plan - Saved Policies September 2007), then London Plan Policies (2015). On the 8th November 2012 Hillingdon's Full Council agreed the adoption of the Councils Local Plan: Part 1 - Strategic Policies. Appendix 5 of this explains which saved policies from the old Unitary Development (which was subject to a direction from Secretary of State in September 2007 agreeing that the policies were 'saved') still apply for development control decisions.
- 2** In dealing with the application the Council has implemented the requirement in the National Planning Policy Framework to work with the applicant in a positive and proactive way. We have made available detailed advice in the form of our statutory policies from the 'Saved' UDP 2007, Local Plan Part 1, Supplementary Planning Documents, Planning Briefs and other informal written guidance, as well as offering a full pre-application advice service.

Standard Informatives

- 1** The decision to REFUSE planning permission has been taken having regard to all relevant planning legislation, regulations, guidance, circulars and Council policies, including The Human Rights Act (1998) (HRA 1998) which makes it unlawful for the Council to act incompatibly with Convention rights, specifically Article 6 (right to a fair hearing); Article 8 (right to respect for private and family life); Article 1 of the First Protocol (protection of property) and Article 14 (prohibition of discrimination).
- 2** The decision to REFUSE planning permission has been taken having regard to the policies and proposals in the Hillingdon Unitary Development Plan Saved Policies (September 2007) as incorporated into the Hillingdon Local Plan (2012) set out below, including Supplementary Planning Guidance, and to all relevant material considerations, including The London Plan - The spatial development strategy for London consolidated with alterations since 2011 (2016) and national guidance.
