David,

We can not register discharge of condition applications until the planning approval has been issued which is dependent on the completion of the S106 Agreement. It obviously makes sense to prepare everything so ready for submission as soon as planning permission is issued.

The charge for a discharge of condition application is £97 and an application can deal with multiple conditions.

Please let me know if you have any further queries.

Richard

Dear Richard,

We are getting close to submitting applications for approval of conditions on the above application.

Can you please advise how much the Council will charge for each application and when would be best for us to submit?

Kind regards,
