H. APPEAL STATEMENT

The statement is set out in

☒ the box below

The single storey outbuilding to rear of garden for recreational use at 125 Broadwood Avenue was refused by the London Borough of Hillingdon for two reasons; 1. The height would exceed 2.5m and the

building is within 2m of the boundary of the existing garage (dwelling house). 2. The height of the eaves of the building would exceed 2.5m.

I therefore was advised by the council to appeal and amend the plans which I have done (attached in later section). On the new plans you will see that my architects have lowered the height of the building to be 2.5m at the highest end and 2.3m at the lowest, also the building is now 2m away from the dwelling house (garage). I believe that this recreation room now meets the councils requirements and I ask for a reassessment with speed please.
