UXBRIDGE BOROUGH COUNCIL

TOWN & COUNTRY PLANNING ACT, 1962

TREE PRESERVATION ORDER IN RESPECT OF
LAND ADJOINING BLOSSOM WAY, VINE GROVE,
VINE LANE AND COURT DRIVE,
HILLINGDON, UXBRIDGE

THE MAYOR, ALDERMEN AND BURGESSES of the BOROUGH OF UXBRIDGE acting by the Council as the local authority for the said Borough on behalf of the County Council of the Administrative County of Middlesex as Local Planning Authority (in this order called "the authority") in pursuance of the powers conferred in that behalf by Section 29 of the Town and Country Planning Act, 1962, and subject to the provisions of Section 13 of the Forestry Act, 1951, hereby make the following Order:-

1. In this Order -

"the Act" means the Town and Country Planning Act, 1962; "owner" means the owner in fee simple, either in possession or who has granted a lease or tenancy of which the unexpired portion is less than three years; a lessee (including a sub-lessee) or tenant in possession, the unexpired portion of whose lease or tenancy is three years or more, and a mortgagee in possession; and

"the Minister" means the Minister of ^{the Ministry of the}Land and Natural Resources.

2. Subject to the provisions of this Order and to the exemptions specified in the Second Schedule hereto, no person shall, except with the consent of the authority and in accordance with the conditions, if any, imposed on such consent, cut down, top, lop, or wilfully destroy or cause or permit the cutting down, topping lopping or wilful destruction of any tree specified in the First Schedule hereto or comprised in a group of trees or in a woodland therein specified, the position of which trees, groups of trees and woodlands is defined in the manner indicated in the said First Schedule on the map annexed hereto a certified copy of which has been signed by the Town Clerk of the Borough of Uxbridge and deposited for inspection at 265, High Street, Uxbridge, which map shall, for the purpose of such definition as aforesaid, prevail where any ambiguity arises between it and the specification in the said First Schedule.
3. An application for consent made under Article 2 of this Order shall be in writing stating the reasons for making the application, and shall by reference if necessary to a plan specify the trees to which the application relates, and the operations for the carrying out of which consent is required.
4. (1) Where an application for consent is made under this Order, the authority may grant such consent either unconditionally, or subject to such conditions (including conditions requiring the replacement of any tree by one or more trees on the site or in the immediate vicinity thereof), as the authority may think fit, or may refuse consent.
(2) The authority shall keep a register of all applications for consent under this Order containing information as to the nature of the application, the decision of the authority thereon, any compensation awarded in consequence of such decision and any directions as to replanting of woodlands; and every such register shall be available for inspection by the public at all reasonable hours.
5. Where the authority refuse consent under this Order or grant such consent subject to conditions they may when refusing or granting consent certify in respect of any trees for which they are so refusing or granting consent that they are satisfied:-
 - (a) that the refusal or condition is in the interests of good forestry; or
 - (b) in the case of trees other than trees comprised in woodlands that the

6. (1) Where consent is granted under this Order to fell any part of a woodland then unless -

- (a) such consent is granted for the purpose of enabling development to be carried out in accordance with a permission to develop land under Part III of the Act, or
- (b) the authority with the approval of the Minister dispense with replanting,

the authority shall give to the owner of the land on which that part of the woodland is situated a direction in writing specifying the manner in which and the time within which he shall replant such land and where such a direction is given and the part is felled the owner shall subject to the provisions of this Order replant the said land in accordance with the direction.

- (2) Any direction given under paragraph (1) of this Article may include requirements as to -

- (a) species;
- (b) number of trees per acre;
- (c) the erection and maintenance of fencing necessary for protection of the replanting;
- (d) the preparation of ground, draining, removal of brushwood, lop and top; and
- (e) protective measures against fire.

7. The provisions set out in the Third Schedule to this Order, being provisions of Parts III and VII of the Act adapted and modified for the purposes of this Order, shall apply in relation thereto.

8. Subject to the provisions of this Order, any person who has suffered damage or has incurred expenditure in consequence of any refusal of consent under this Order or of any grant of any such consent subject to conditions, shall, if he makes a claim on the authority within the time and in the manner prescribed by this Order, be entitled to recover from the authority compensation in respect of such damage or expenditure.

Provided that no compensation shall be payable in respect of damage suffered or expenditure incurred by reason of such refusal or grant of consent in the case of any trees the subject of a certificate in accordance with Article 5 of this Order.

9. In assessing compensation payable under the last preceding Article or under Section 118 of the Act as applied by this Order account shall be taken of:

- (a) any compensation or contribution which has been paid in respect of the same trees under the terms of this or any other Tree Preservation Order under Section 29 of the Act or under the terms of any Interim Preservation Order made under Section 8 of the Town & Country Planning (Interim Development) Act, 1943, or any compensation which has been paid or which could have been claimed under any provision relating to the preservation of trees or protection of woodlands contained in an operative scheme under the Town & Country Planning Act, 1932, and
- (b) any injurious affection to any land of the owner which would result from the felling of the trees the subject of the claim.

10. (1) A claim for compensation under this Order shall be in writing and shall be made by serving it on the authority such service to be effected by delivering the claim at the offices of the authority addressed to the Clerk thereof or

(2) The time within which any such claim shall be made as aforesaid shall be a period of twelve months from the date of the decision of the authority, or of the Minister, as the case may be, or where an appeal has been made to the Minister against the decision of the authority, from the date of the decision of the Minister on the appeal.

11. Any question of disputed compensation shall be determined in accordance with the provisions of Section 128 of the Act.

12. Any person contravening the provisions of this Order is guilty of an offence under Section 62(1) of the Act and liable on summary conviction to a fine not exceeding fifty pounds; and if in the case of a continuing offence the contravention is continued after conviction he is guilty of a further offence thereunder and liable on summary conviction to an additional fine not exceeding forty shillings for every day on which the contravention is so continued.

FIRST SCHEDULE
TREES SPECIFIED INDIVIDUALLY

WOODLANDS

(NONE)

SECOND SCHEDULE

This Order shall not apply so as to require the consent of the authority

- (1) to the cutting down, topping or lopping of any tree that is dying or dead or has become dangerous;
- (2) To the cutting down, topping or lopping of any tree -
 - (a) in compliance with an obligation imposed by or under an Act of Parliament;
 - (b) in pursuance of the power conferred on the Postmaster General by virtue of Section 5 of the Telegraph (Construction) Act, 1908;
 - (c) In pursuance of the powers conferred by Section 24 of the Regulation of Railways Act, 1868;
 - (d) for the purpose of preventing or abating a nuisance;
 - (e) in the case of a statutory undertaker where the land on which the tree is situated is operational land as defined by the Act and either works on such land cannot otherwise be carried ^{out} or the cutting down, topping or lopping is for the purpose of securing safety in the operation of the undertaking;
