Item No. **Report of the Head of Planning, Transportation and Regeneration**

Address 26 COPTHALL ROAD EAST ICKENHAM

Development: Single storey garage to front (Part retrospective)

LBH Ref Nos: **10265/APP/2020/3063**

Drawing Nos: L.02
L.01

Date Plans Received: 28/09/2020

Date(s) of Amendment(s):

Date Application Valid: 06/10/2020

1. CONSIDERATIONS

1.1 Site and Locality

The application site comprises a two storey semi-detached dwelling situated on the south western side of Copthall Road East at its junction with Bushey Road. The property has a rendered finish set beneath a tiled roof. The property benefited from a single storey detached garage to the front of the site. The remainder of the front garden comprises a driveway, providing 1 parking space. There is an enclosed landscaped garden to the rear.

The area is residential in character and appearance mainly comprising semi detached properties.

1.2 Proposed Scheme

The current application seeks planning permission for a single storey garage to front (Part Retrospective). The previously existing garage has been demolished and a much larger structure has been substantially built. The high privet hedge has been removed along the site boundary.

1.3 Relevant Planning History

Comment on Planning History

This application is the result of an ongoing Planning Enforcement investigation reference ENF/480/20 in regard to a structure being constructed to the front of the property.

Other site history

10265/C/95/1281 - Erection of a first floor side extension - Approved 30/11/1995

2. Advertisement and Site Notice

2.1 Advertisement Expiry Date:- Not applicable

2.2 Site Notice Expiry Date:- Not applicable

3. Comments on Public Consultations

6 neighbouring properties and the local residents association were consulted by letter dated 7/10/2020. The consultation period expired on 28/10/2020.

Seven written representations have been received objecting to the proposal summarised as follows: -

Detrimental to the visual amenity
Out of character with the surrounding area
Detrimental to residential amenity
Overall scale and bulk
Prominence on the street scene
Highly visible on this corner plot
Loss of outlook

Officer response - The concerns raised above will be addressed in the 'Main Planning Issues' section of this report

4. Local Plan Designation and London Plan

The following Local Plan Policies are considered relevant to the application:-

Part 1 Policies:

PT1.BE1 (2012) Built Environment

Part 2 Policies:

DMHB 11 Design of New Development

DMHB 12 Streets and Public Realm

DMHD 2 Outbuildings

DMT 6 Vehicle Parking

LPP 3.5 (2016) Quality and design of housing developments

5. MAIN PLANNING ISSUES

The main issues for consideration in determining this application relate to the effect of the proposal on the character and appearance of the original dwelling, the impact on the visual amenities of the surrounding area, the impact on the residential amenity of the neighbouring dwellings and provision of acceptable residential amenity for the application property.

The Hillingdon Local Plan: Part One Strategic Policy BE1 seeks a quality of design in all new development that enhances and contributes to the area in terms of form, scale and materials; is appropriate to the identity and context of the townscape; and would improve the quality of the public realm and respect local character.

Policy DMHB 11 of the Hillingdon Local Plan: Part 2 - Development Management Policies (January 2020) states that: A) All development, including extensions, alterations and new buildings, will be required to be designed to the highest standards and, incorporate principles of good design including: i) harmonising with the local context; ii) ensuring the use of high quality building materials and finishes; iii) ensuring that the internal design and layout of development maximises sustainability and is adaptable to different activities; iv) protecting features of positive value within and adjacent to the site, including the safeguarding of heritage assets, designated and undesignated, and their settings; and v) landscaping and tree planting to protect and enhance amenity, biodiversity and green infrastructure. B) Development proposals should not adversely impact on the amenity of adjacent properties and open space.

Policy DMHD 2 of the London Borough of Hillingdon Local Plan Part 2 Development Management Policies (January 2020) pertains to outbuildings and states:

The Council will require residential outbuildings to meet the following criteria:

- i) the building must be constructed to a high standard of design without compromising the amenity of neighbouring occupiers;
- ii) the developed footprint of the proposed building must be proportionate to the footprint of the dwelling house and to the residential curtilage in which it stands and have regard to existing trees;
- iii) the use shall be for a purpose incidental to the enjoyment of the dwelling house and not capable for use as independent residential accommodation; and
- iv) primary living accommodation such as a bedroom, bathroom, or kitchen will not be permitted.

The detached garage is located forward of the existing building. It would essentially comprise a front extension leaving a small gap of approximately 2m between the front elevation of the host dwelling and proposed garage wall. The structure is to be used as a garage, measuring 6 m in depth and between 6 m and 4 m in width. The maximum height of the garage is between 2.2 m and 2.7 m high, with a flat roof. The development is not considered to respect the character of the area especially on this prominent corner plot, and would result in an addition that would create a precedent in the locality.

The precedent set would mean other dwellings in this area carry out similar developments, resulting in the loss of front garden spaces, incongruous additions to the street scene and in this particular case loss of the general openness of the area. As such, it is not considered a subordinate or ancillary development. As such, it is considered that the development is in contrary to Policy DMHD 2, and Policy DMHB 11 of the Hillingdon Local Plan: Part 2 - Development Management Policies (January 2020)

The development would not result in a loss of parking space, but will simply formalise the existing space.

The application is recommended for refusal.

6. RECOMMENDATION

REFUSAL for the following reasons:

1 NON2 Non Standard reason for refusal

The proposed garage, by reason of its siting in this open prominent position, size, scale, bulk and height would result in an incongruous addition and would thus be detrimental to the visual amenities of the street scene and the character and appearance of the wider area. The proposal is therefore contrary to Policy BE1 of the Hillingdon Local Plan: Part One - Strategic Policies (November 2012) and Policies DMHB 11 and DMHD 2 of the Hillingdon Local Plan: Part Two - Development Management Policies (January 2020).

INFORMATIVES

- 1** On this decision notice policies from the Councils Local Plan: Part 1 - Strategic Policies appear first, then relevant Local Plan Part 2 (2020), then London Plan Policies (2016). Hillingdon's Full Council adopted the Hillingdon Local Plan: Part 1 - Strategic Policies on 8 November 2012 and the Hillingdon Local Plan Part 2 on 16 January 2020.

Standard Informatives

- 1 The decision to REFUSE planning permission has been taken having regard to all relevant planning legislation, regulations, guidance, circulars and Council policies, including The Human Rights Act (1998) (HRA 1998) which makes it unlawful for the Council to act incompatibly with Convention rights, specifically Article 6 (right to a fair hearing); Article 8 (right to respect for private and family life); Article 1 of the First Protocol (protection of property) and Article 14 (prohibition of discrimination).
- 2 The decision to REFUSE planning permission has been taken having regard to the policies and proposals in the Hillingdon Unitary Development Plan Saved Policies (September 2007) as incorporated into the Hillingdon Local Plan (2012) set out below, including Supplementary Planning Guidance, and to all relevant material considerations, including The London Plan - The spatial development strategy for London consolidated with alterations since 2011 (2016) and national guidance.
