Dear All
The application ref # 61307/APP/2021/2462 was due decision on 16-08-2021, to this date on 01-10-2021, we have not received any communication from the Council. This has been quite frustrating for the applicant who had plans to start the construction and despite the reminders sent on 18-06-2021 and on 17-09-2021 our emails are ignored.

Kindly see to the matter at your earliest and if by the week ending 08-10-2021, the decision is not made, we shall launch an Appeal for Non Determination.

Should you require any further assistance, please feel free to contact us

Kind regards
Xeva Design
