Dear Nurgul

Further to our conversation some 10 days ago you had promised you would be sending me your delegated report within a week.

I should be grateful if you could kindly send. Thank you.

Kind regards

Mohamed Bharadia

Dear Mohammed,

I think there is a miscommunication here, as we are unable to send you delegated reports without management signing off. Given that the case will be going to committee, it will be signed off before the committee it is scheduled for.

Kind regards,

Nurgul Kinli
