Dear Mr Joyce,

With respect to the above appeal, please find attached the committee report that was considered at the 7th December Borough Planning Committee and sets out the Council's case in respect of the appeal. Please note that the Committee resolved that had the LPA been determining the application the application would have been refused in accordance with the recommendation in the Committee Report.

Please note that at the Committee, Members were advised to omit the appeal Inspector's quotation regarding application 21763/APP/2020/1035 in section 3.3 of the report, as this was incorrect and the correct relevant passage was read out to Members.

Finally, please accept my apology that this submission is slightly late. Due to unforeseen circumstances I was unable to forward this yesterday.

Kind regards
