4. Eligibility

Was the use of the building on 20th March 2013 (or the last use before that date) one of the following:

☒ Yes ☐ No

- a betting office, pay day loan shop, or launderette; or
- a mixed use combining use as a dwellinghouse with one of the above uses;
- a hot food takeaway

If the building's use was as shops or financial and professional services, was this use only granted by a previous change of use under permitted development rights?

☐ Yes ☒ No

(Select 'No' if not relevant. From 1 August 2021 this will always not be relevant due to changes detailed above)

Will the total combined floor space in the building (previously and in this proposal) changed to Class C3 (Dwellinghouses) exceed 150 square metres?

☐ Yes ☒ No

Will the external dimensions of the resulting building extend beyond the existing building at any point?

☐ Yes ☒ No

4. Eligibility

Is the building:

- in a conservation area;
- in an area of outstanding natural beauty;
- in an area specified by the Secretary of State for the purposes of enhancement and protection of the natural beauty and amenity of the countryside;
- in the Broads;
- in a National Park;
- in a World Heritage Site;
- in a site of special scientific interest;
- in a safety hazard area;
- in a military explosives storage area;
- a listed building; or

5. Description of Proposed Works, Impacts and Risks

Please describe the proposed development, including (from 1 August 2020) details on the provision of adequate natural light in all habitable rooms of the dwellinghouses

Conversion of existing Class A1 Shop to create two studio apartments.

Are any associated building works or other operations required to make this change?

Note that such works are restricted to those reasonably necessary to convert the building for use as a dwellinghouse (including partial demolition).

☒ Yes ☐ No

If yes, please provide details of the design and external appearance of the building(s) in regard to these building works or other operations (including partial demolition):

Applicant will be removing some external doors and changing these to windows. There will be no demolition. The proposed changes to fenestration will ensure, both studios have adequate natural daylight.

What will be the net increase in dwellinghouses?

This figure should be the number of dwellinghouses proposed by the development that is additional to the number of dwellinghouses on the site immediately prior to the development.

Please provide details of any transport and highways impacts and how these will be mitigated:

The site access will remain the same as existing arrangement. The site is located in a highly sustainable location in close proximity to public transport links. The proposed conversion will not result in any significant traffic generation and will have no greater impact in transport / highway terms than the existing use

Please provide details of any contamination risks and how these will be mitigated:

No contamination risks known. There will be no additional footprint created.

Please provide details of any flooding risks and how these will be mitigated.

A flood risk assessment should accompany the application where the site:

- is in Flood Zones 2 or 3; or
- is in an area with critical drainage problems (such areas will have been notified to the Local Planning Authority by the Environment Agency).

Check if your site location is in Flood Zone 2 or 3 online.

Check with your Local Planning Authority to see if your site is in an area with critical drainage problems.

Not in flood zone

If the building's current use is a Launderette, please provide details of the impact on the adequate provision of local services based on the loss of the Launderette.

For example:

- Would there be a reasonable prospect of the building being used as a Launderette going forward?
- Would unique Launderette facilities be lost from the area if the use is changed?

(Please note that legislative changes on 1 August 2021 reduced the scope of this question to be specific to Launderettes. Answer the question 'Not relevant' if this is not the current use of the building)

Other newsagents are available in immediate locality

Where the building is located in a key shopping area, please provide details of any undesirable impact on the sustainability of that shopping area.

(Please note that legislative changes on 1 August 2021 removed this as a matter for prior approval. Therefore, please answer the question 'No longer required' as it does not need to be provided as part of the application)
