TOWN AND COUNTRY PLANNING ACT 1990 (AS AMENDED)

REFUSAL OF PLANNING PERMISSION

Application Ref: 19486/APP/2021/3500

SCHEDULE OF REASONS

- 1 . The proposed development, by reason of its siting (in rear gardens), uncharacteristically small plot, unusually narrow front elevation, and layout would result in a development of the site, which would fail to harmonise with the appearance of other properties in the area and the existing local and historic context of the surrounding area. The principle of intensifying the residential use of the site as proposed, as well as the proposed loss of existing private rear garden areas would have a detrimental impact on the street scene and character and appearance of the area as a whole. The proposal is therefore detrimental to the visual amenity and character of the surrounding area and is contrary to Policy BE1 of the Hillingdon Local Plan: Part One - Strategic Policies, Policies DMH 6, DMHB 11 and DMHB 12 of the Hillingdon Local Plan: Part Two - Development Management Policies (2020), Policies D1, D3 and D6 of the London Plan (2021), as well as paragraphs 71, 124 and 130 of the NPPF (2021).
- 2 . The proposed development, by virtue of the site layout, access arrangements, internal design of the building, and absence of details to show that the internal layout would comply with Building Regulation requirement M4(2), fails to demonstrate that adequate provision would be provided to meet the needs of people with disabilities. The proposed development therefore conflicts with Policy D7 of the London Plan (2021) and the National Planning Policy Framework (2021).
- 3 . The proposed development by virtue of its height, bulk and close proximity to neighbouring properties, would be detrimental to the amenities of the adjoining occupiers at 56 and 56a Briarwood Drive by reason of visual intrusion and loss of outlook. Therefore the proposal would be contrary to Policy DMHB 11 of the Hillingdon Local Plan: Part Two - Development Management Policies (2020).

INFORMATIVES:

- 1 . The decision to REFUSE planning permission has been taken having regard to all relevant planning legislation, regulations, guidance, circulars and Council policies, including The Human Rights Act (1998) (HRA 1998) which makes it unlawful for the Council to act incompatibly with Convention rights, specifically Article 6 (right to a fair hearing); Article 8 (right to respect for private and family life); Article 1 of the First Protocol (protection of property) and Article 14 (prohibition of discrimination).
- 2 . The decision to REFUSE planning permission has been taken having regard to the policies and proposals in the Hillingdon Local Plan Part 1 (2012) and Part 2 (2020) set out below, including Supplementary Planning Guidance, and to all relevant material considerations, including The London Plan (2021) and national guidance.

TOWN AND COUNTRY PLANNING ACT 1990 (AS AMENDED)

If you are aggrieved by the decision of your local planning authority to refuse permission for the proposed development or to grant it subject to conditions, then you can appeal to the office of the First Secretary of State under Section 78 of the Town and Country Planning Act 1990.

If you want to appeal, then you must do so within six months of the date of this notice, using a form which you can get from the Planning Inspectorate at Customer Support Unit, Room 3/15 Eagle Wing, Temple Quay House, 2 The Square, Temple Quay, Bristol, BS1 6PN (Tel 0117 372 8424). Appeal forms can be downloaded from the Planning Inspectorate's website at [**www.Planning-inspectorate.gov.uk**](http://www.Planning-inspectorate.gov.uk)

If you intend to submit an appeal that you would like examined by inquiry then you must notify the Local Planning Authority and Planning Inspectorate (inquiryappeals@planninginspectorate.gov.uk) at least 10 days before submitting the appeal.

Further details are available at [**www.gov.uk/government/collections/casework-dealt-with-by-inquiries**](http://www.gov.uk/government/collections/casework-dealt-with-by-inquiries)

The Secretary of State can allow a longer period for giving notice of an appeal, but he will not normally be prepared to use this power unless there are special circumstances, which excuse the delay in giving notice of an appeal.

The Secretary of State need not consider an appeal if it seems to him that the local planning authority could not have granted planning permission for the proposed development or could not have granted it without the conditions imposed, having regard to the statutory requirements, to the provisions of any development order and to any directions given under a development order.

In practice, the Secretary of State does not refuse to consider appeals solely because the local planning authority based their decision on a direction given by him.

Purchase Notices.

If either the local planning authority or the officer of the First Secretary of State refuses permission to develop land or grants it subject to conditions, the owner may claim that he can neither put the land to a reasonably beneficial use by carrying out of any development which has been or would be permitted.

In these circumstances, the owner may serve a purchase notice on the Council (District Council, London Borough Council or Common Council of the City of London) in whose area the land is situated. This notice will require the Council to purchase his interest in the land in accordance with the provisions of Part VI of the Town and Country Planning Act 1990.
