

SUGGESTED CONDITIONS

Appeal By:
Mr D Singh

Proposal:
Erection of rear outbuilding following demolition of existing structure.

Appeal Site:
51A THE DRIVE
ICKENHAM

1. The development hereby permitted shall begin either before the expiration of three years from the date of this permission, or before the expiration of two years from the date of approval of the last of the reserved matters to be approved, whichever is the later.

REASON

To comply with Section 92 of the Town and Country Planning Act 1990 (As Amended).

2. The development hereby permitted shall not be carried out except in complete accordance with the details shown on the submitted plans, numbers:
A101 + A102 Draft 3

REASON

To ensure the development complies with the provisions of the Hillingdon Local Plan Part 1 (2012) and Part 2 (2020), and the London Plan (2021).

3. The outbuilding hereby approved shall only be used for the purpose(s) stated on the application form and approved drawings. It shall not be used for purposes such as a living room, bedroom, kitchen, or as a separate unit of accommodation.

REASON

To avoid any future undesirable fragmentation of the curtilage or the creation of a separate residential use, so as to protect the amenity of adjoining residential properties in accordance with Policy DMH4 and DMHB11 of the Hillingdon Local Plan – Part Two (2020).

4. No site clearance or construction work shall take place until the details have been submitted to, and approved in writing by, the Local Planning Authority with respect to:

1. A method statement outlining the sequence of development on the site including demolition, building works and tree protection measures.

Our Ref: 66020/APP/2021/4369

Your Ref: APP/R5510/W/22/3296539

2. Detailed drawings showing the position and type of fencing to protect the entire root areas/crown spread of trees, hedges and other vegetation to be retained shall be submitted to the Local Planning Authority for approval. No site clearance works or development shall be commenced until these drawings have been approved and the fencing has been erected in accordance with the details approved. Unless otherwise agreed in writing by the Local Planning Authority. Such fencing should be a minimum height of 1.5 metres.

Thereafter, the development shall be implemented in accordance with the approved details.

The fencing shall be retained in position until development is completed.

The area within the approved protective fencing shall remain undisturbed during the course of the works and in particular in these areas:

2.a There shall be no changes in ground levels;

2.b No materials or plant shall be stored;

2.c No buildings or temporary buildings shall be erected or stationed.

2.d No materials or waste shall be burnt; and.

2.e No drain runs or other trenches shall be dug or otherwise created, without the prior written consent of the Local Planning Authority.

3. Where the arboricultural method statement recommends that the tree protection measures for a site will be monitored and supervised by an arboricultural consultant at key stages of the development, records of the site inspections / meetings shall be submitted to the Local Planning Authority.

REASON

To ensure that trees and other vegetation can and will be retained on site and not damaged during construction work and to ensure that the development conforms with policy DMHB 14 of the Hillingdon Local Plan Part 2 (2020)
