The scheme has been revised according to the pre planning report and meeting:  
A reduced scheme has been designed  
Breaking up of a long flank wall has been provided  
The scheme is set in from the boundary and boundary fence, so that the existing boundary fence and space around it remains  
The openness of the corner has remained and there is no change to pedestrian views and adjoining property views  
the low profile pitch roof is similar to the neighbour to minimize impact from street level
