

I Derek Thompson of Refuels Limited, Bank Chambers, Canterbury Road, Lyminge. CT18 8HU
do solemnly and sincerely declare as follows:

1. I am Derek Thompson of Refuels Ltd. Refuels is the largest mixed fuel recovery company in the United Kingdom, offering solutions to fuel hauliers, retail forecourts, mobile fuel evacuation operators, insurers and the roadside recovery industry. Refuels has a recovery tank at Harefield Oil Terminal.
2. I have reviewed Plan 22-020 SK-29-12-23/02 A which shows the area of Harefield Oil Terminal that has been continuously used by Refuels Ltd & its customers since 2008. The area consists of a parking space and a tank that is used to collect contaminated fuel.
3. I would estimate our customers use our tank every day. I personally visited Harefield Oil Terminal at least twelve times per year for the period 2015-present. Prior to this our office was located on the site and I would attend site during the working week. I am therefore very familiar with the property and its uses over that period.

And I make this solemn declaration conscientiously believing the same to be true and by virtue of the provisions of the Statutory Declarations Act 1835.

Declared by the above named

Derek Thompson, Refuels Limited, Bank Chambers, Canterbury Road, Lyminge, Nr Folkestone, Kent.
