

I Garry Hobson of Gibbs House, Gibbs Road, Edmonton, London, England, N18 3PU do solemnly and sincerely declare as follows:

1. I am the Managing Director of GBN Services. GBN Services is a leading skip hire, recycling and waste company for construction, commercial and household customers across London and the South East. GBN Services operates a site (known as GBN Uxbridge) from Harefield Oil Terminal.
2. I have reviewed Plan 22-020 SK-29-12-23/04 A which shows the area of Harefield Oil Terminal that has been continuously occupied by GBN Service since May 2013 and used for storage purposes.
3. I would estimate that I visited Harefield Oil Terminal at least once a week for the period 2011 to the current day. I am therefore very familiar with the property and its uses over that period.

And I make this solemn declaration conscientiously believing the same to be true and by virtue of the provisions of the Statutory Declarations Act 1835.
