

PROPOSED

A diagram showing a circle with a diagonal cross through it. A horizontal line segment passes through the circle, representing a magnetic field line. The letter 'N' is positioned to the left of the circle, indicating the direction of the field.

A horizontal number line with tick marks at 0, 1.0, 2.0, 3.0, and 4.0. The line is black and has a length of approximately 10 cm.

The window will not project more than 0.10 meters (or 10 centimeters) above the surface of the flat roof.

Green-colored felt
as the roof finish
