## Semi-Detached Family House

### Description:

The proposed front porch will be constructed as a permitted development under current planning regulations. It is designed to enhance the functionality and aesthetic appeal of the property while ensuring compliance with planning requirements.

### Dimensions:

- Floor Plan: 1.0 x 2.96 meters, totalling area 2.96 sq.m.
- Height: 2.90 meters from the existing garden level.

### Setback:

- No part of the porch will be within two meters of any boundary fronting a highway, ensuring adherence to permitted development guidelines.

### Materials:

- All materials will be selected to match the existing structure, ensuring continuity in appearance and integration with the existing architectural style.

### Accessibility:

- The porch will provide sheltered access to the property, improving convenience and weather protection.
- The design will ensure unobstructed entry without impeding accessibility.

### Design Considerations:

- The scale and form of the porch have been designed to complement the existing dwelling.
- The proposal maintains the character of the property while enhancing its overall functionality and curb appeal.

This statement outlines the key aspects of the proposal, ensuring compliance with relevant planning regulations while delivering an aesthetically cohesive and practical addition to the property.
