

General Note - The general contractor is responsible for the verification of all dimensions and levels on site prior to any construction or pricing works. The architect is to be informed immediately of any discrepancy. Figure dimensions take priority over scaled dimensions. Reliance on scaled dimensions to be appropriate for drawing purpose and scale of drawing.

This drawing is the property of ANP Architects and is issued on the condition that it is not reproduced, disclosed or copied to any unauthorized person in whole or part without prior written consent.
