Difficult to assess any amenity impacts from the proposal-but I doubt if they will be significant.

Good to see overlooking to 46 designed out (= proposed front corner ensuite obscured glass windows nearest)

I am just wondering whether it needs the 1m first floor set-back from the front as per guidance, though you really don't read the house in the street scene as it is so well set back from the road.(set-in 1m from side achieved, onto existing extant commenced 1957 approval with already-installed piled foundations..)

For the purposes of this question, "related to" means related, by birth or otherwise, closely enough that a fair-minded and informed observer, having considered the facts, would conclude that there was bias on the part of the decision-maker in the Local Planning Authority.
