Details of the pre-application advice received

Two main concerns were discussed at the pre-application meeting.

1. Further to the concern in regard to the provision of a bedroom with an obscure window on first floor, the position of the bedroom and the bathrooms have been re-arranged so that the outlook from the bedroom would be to the rear of the house. The windows to the north elevation would all be obscure windows serving bathrooms.
2. It was discussed that we provide the ground floor plan with measurements to the site boundary. The narrowest point between the building to the fence line is 1m.

14. Authority Employee/Member

With respect to the Authority, is the applicant and/or agent one of the following:

- (a) a member of staff
(b) an elected member
(c) related to a member of staff
(d) related to an elected member

It is an important principle of decision-making that the process is open and transparent.

☐ Yes ☒ No

For the purposes of this question, "related to" means related, by birth or otherwise, closely enough that a fair-minded and informed observer, having considered the facts, would conclude that there was bias on the part of the decision-maker in the Local Planning Authority.

Do any of the above statements apply?
