Good Afternoon Emilie

The drawing indicates the pier details so my assumption is you require clarity for the proposed brickwork?

If this is the case then the brickwork as per the DAS and main dwelling extension will be the same and as follows:

Capital Blend soft Red imperial

If you require any further clarity then please do not hesitate to contact us,

Best regards

Mark Holman

Good afternoon,

I hope you are well. I am currently reviewing this discharge of conditions application for condition 3:

*Notwithstanding the details specified on the approved drawings, no works for **the electric and pedestrian gates and brick piers** hereby approved shall take place until details of their materials and external finishes have been submitted to and approved in writing by the Local Planning Authority. Thereafter the development shall be constructed in accordance with the approved details and be retained as such.*

Details should include information relating to make, product/type, colour and photographs/images.

Please can you email over the details regarding the brick piers?

Many thanks,

Emilie Bateman
