Condition(s) - Variation/Removal

Please state why you wish the condition(s) to be removed or changed

The purpose of the proposed variation is to accommodate members who are unable to attend weekday sessions due to work commitments and childcare responsibilities. A number of members rely on partners or family members for childcare support and are therefore only able to attend at evenings or weekends. The proposed evening and Saturday hours provide a modest and controlled opportunity for these individuals to access the Institute's services without increasing overall attendance or intensifying use of the site.

If you wish the existing condition to be changed, please state how you wish the condition to be varied

This application seeks a limited and tightly controlled amendment to the approved hours of operation, specifically to allow use of the premises on Monday to Friday between 10:00 and 19:00 and on Saturdays between 11:00 and 14:00 only.
