4.4. DPL are not responsible for builders changing design methods from proposed designs. No project should start without a building notice. 5. Owner is responsible for purchasing additional materials and covering site areas for any additional structural design change on site from the start to end of building work, by building control or any other third party's instruction during building work. 6. Request a copy of the Party Wall Award where works affect party wall or mobile walls of adjoining buildings or building over a public sewer. (Clients responsibility)

DRAWING STATUS	CONSTRUCTION	GENERAL NOTES: Any dimensions shown are indicative only and are subject to verification on site. The co-ordinates check and co-ordinate all dimensions shown on site during the course of the works and prior to site. This drawing to be read in conjunction with all other Architect's and Engineer's drawings, Frontiers conditions and any subsequent similar drawings.
---------------------------	---------------------	---

ALL STRUCTURAL ELEMENTS (such as beams, lintels, joists, rafters, columns, walls, foundations and etc.) SHOWN ON DRAWINGS ARE ONLY INDICATIVE, THEY ARE SUBJECTED TO FURTHER STRUCTURAL ENGINEER'S CONSIDERATION.

A vertical scale bar on the left side of the map, labeled 'Boundary' at the bottom right. The scale bar has markings at 1m, 2m, 3m, 4m, and 5m. The top of the scale bar is labeled '1.50'. A thick black line, labeled 'Boundary' at its bottom right, runs vertically along the right side of the scale bar.

Code 4 lead soakers dressed to existing roof tiles & behind new dormer tiles

rwpt

This architectural drawing illustrates a cross-section of a roof. The roof is primarily flat, featuring a large rectangular skylight with a low profile of 700x700mm. A continuous ridge vent runs along the top edge of the roof. The left side of the roof shows a pattern of vertical tiles. Labels on the drawing include: 'Boundary' at the bottom left; 'New rwp' (new roof tiles) pointing to the left side; 'Roof tiles to match existing' pointing to the right side; 'Vertical tiles' pointing to the left side; 'Flat roof skylight 700x700mm (low profile)' pointing to the skylight; and 'Continuous ridge vent' pointing to the ridge vent.
