Why do you consider that a Lawful Development Certificate should be granted for this proposal?

Town and Country Planning (General Permitted Development) Order 2012. Part 1.
The proposed hip to gable roof extension and rear dormer extension with rooflights complies with the following requirements. Therefore a certificate of lawfulness for a proposed development should be granted.
All new side windows (if applicable) to be obscured and non-opening or above 1.7m high.
The proposed extension does not exceed the height of the highest part of the existing roof.
The proposed roof extension does not extend beyond the plane of any existing roof slope which forms the principal elevation of the dwelling house. The property does not front a highway.
The total area in the enlarged roof does not exceed 50 cubic metres (refer to attached calculations). The materials used on the exterior of the building are to be of similar appearance to those used in the construction of the exterior of the existing dwelling house.
The rooflights are to be within 150mm of the roof plane.
The rear dormer is set away from the eaves by min. 20cm.
The side extension will not exceed 50% of the width of the property. The side extension is to be no higher than 3m to the eaves and 3m in total. The side extension does not extend beyond the original front or original rear walls of the house.
