Police Preferred Compact Shed for 3 Bikes

The Annexe high-security bike store is a Police Preferred, LPCB, and UK locksmith-approved secure unit suitable for high-risk areas or areas where your unit may be isolated. Maintaining the looks of the Addition bike store, the Annexe is even tougher with additional stiffeners, extra bolts, a 5-point locking system, a pick-and-drill resistant lock, a rear lock shroud and ground fixing bolts!

"Everything about this product was great and easy; asking questions via the website was easy and informative, booking the date for installation was done well, the product looks good and is secure. Good product and customer service." - NikNak

The high-security bike locker is made from tough weatherproof steel with a vented roof to reduce condensation and an additional rain guard to keep your bikes safe and dry. The large double-door access can be handled by the user to suit a specific location.

Annexe Shed Features

- Low shed design with wide double door access.
- Door handling can be changed by the user.
- Tough 5-point locking system with pick-and-drill resistant lock.
- Reinforced panels and doors with welded hinges.
- Secured by Design (Police Preferred), LPCB & UK Locksmith approved with a discount on cycle insurance (Yellow Jersey).
- Integral over-door weather guard.
