

Lambeth Parking Survey**SITE LOCATION: 54 Bridgewater Road – Hillingdon**

The Lambeth Methodology styled parking survey was conducted across the site encompassing 54 Bridgewater Road on Wednesday 23 July at 05:00 and Thursday 24 July 2025 05:00 respectively.

On the first survey day there were 21 unrestricted spaces, with an additional 5 single yellow line spaces. These single yellow lines were not operational in the survey hours, so are to be considered as an unrestricted space too, therefore a total of 26 observed spaces were present.

On the second survey day there were 18 unrestricted spaces, with an additional 5 single yellow line spaces. Again, as these single yellow lines were not operational in the survey hours these too are to be considered as an unrestricted space, therefore a total of 23 observed spaces were present.
