| REVISION  | DATE      | REVISION NOTE | BY       |
|---|-----------|---------------|----------|
| NOTES   |           |               |          |
| All dimensions are to be checked on site before commencement of works and any discrepancies reported to the Architect.                        |           |               |          |
| All sizes and dimensions to any structural elements are indicative only. Refer to Structural Engineer's drawings for actual sizes/dimensions. |           |               |          |
| This drawing to be read in conjunction with all relevant Architect's drawings, specifications and other consultants' information.             |           |               |          |
| DO NOT SCALE FROM THIS DRAWING. ALWAYS USE FIGURED DIMENSIONS.  |           |               |          |
