

## **PERSONAL STATEMENT**

Re – 76 Park Avenue, Ruislip, HA4 7UJ

Proposal – Part two storey, part single storey front/side extension, part two storey, part single storey rear extension and single storey front/side extension involving raising of roof. Creation of granny annex

Dear Sir/Madam

We have lived in Ruislip for 35 years, our two children were educated locally (White Heath and Hayden schools) and both went on to teach at local schools as does my daughter in law.

Due to high house prices in Ruislip we decided to share a house with my son and his family, but while living together for two and a half years while the conversion was undertaken, we all realised we needed our own space.

We were unaware that the interior design would cause issues.

Due to my medical condition our main objective was that my wife of 40 years would be safe and cared for in the future by my son and family

Kind regards Steve Morris
