The building has been occupied as two apartments for more than ten years and evidence is provided in the atttached planning statement to show that a tenant has been living at the property for almost nine years - by her own account in 2021. The earlist date of her occupation is therefore 2012-2013.Evidence is also enclosed to show the apartments were separately occuied in 2010.

Evidence is also provided for both units to show they were occupied as separate apartments in 2020 and 2021 - thus before 25 April 2024.

Both units are listed as separate addresses in the Post Office post code database, and have separate EPCs following assessments in 2020 and 2021 as set out in the attached document.

Is the certificate being sought for a use, operation, or activity in breach of a condition or limitation?

- ☐ Yes
- ☒ No

Please state why a Lawful Development Certificate should be granted

Apartment 34A has the enclosed tenancy agreement with E & V Caunto dated 23 May 2013 which confirms that the breach took place before 25 April 2024. The time limit for enforcement of this unit as an unlawful development was the 24 May 2017.

Apartment 34B has the enclosed signed agreement for the occupation dated 26 March 2012 (Tabitas Subba Batas) – confirming that the breach took place before April 2024. The time limit for enforcement on this unit as a separate dwelling expired on 27 March 2016.

There has been no enforcement action or any communication from the local authority in respect of the two units. Since the time limit for enforcement action has passed the use of the building for two apartments is deemed to be a lawful development.
