## Please find attached quotation.

---

Dear AMMAR KHALIQ,

Ref: FCU186

Following your recent enquiry I am pleased to attach our connection Offer for the above project. Please check the details in the Offer carefully and let me know as soon as possible if any of your requirements have changed or if you want me to make any changes to the design.

If you have an online account your quotation will be uploaded to your online profile. You can view all of the documents associated with your quotation [here](#) and details of how to accept are contained within the Offer letter.

Your quotation is valid for 90 days from the date of the Offer letter, unless otherwise stated. If you need additional time to consider the Offer you can request that your quotation be revalidated for a further 90 days from the date of expiry. Provided your request is received no later than 10 days prior to the original expiry date I will be able to confirm if your design is still appropriate and if it meets the requirements for a revalidation. Further details on our revalidation process can be found [here](#).

If you have any questions regarding the Offer letter or the accompanying design please give me a call or send me an e-mail quoting your job reference number. We can also offer customers a WebEx session should they wish to discuss their connection offer in more detail. If you would like me to arrange this please let me know.

Yours Sincerely,  
George Farr
