### 1. Horizontal 45-Degree Line (Floor Plan):

- "The horizontal line intersects the existing 3m extension, and the additional 0.6m does not introduce a new significant impact. Total depth (3.6m) and height (3m) comply with GPDO."

### 2. Vertical 45-Degree Line (Elevation):

- "The vertical line shows the 3m height does not obstruct the daylight plane, ensuring compliance."

### 3. Neighbouring Properties:

- For No. 43: "No impact as their extension exceeds our proposed depth."
- For No. 47: "Height of 3m ensures no significant impact on their ground-floor window."
