

Floor plan of a house with the following rooms and features:

- Living:** A large room with a curved bay window on the right side.
- Kitchen:** Located between the living room and conservatory, featuring a sink and a four-burner stove.
- Conservatory:** Attached to the kitchen, with a glass door leading into the living room.
- Bathroom:** Contains a toilet, a bathtub, and a sink.
- Hallway:** Centrally located, providing access to the living room, kitchen, conservatory, and bathroom. It includes a set of stairs labeled "UP" and "DOWN".

Existing First Floor Plan

This architectural drawing shows a section of a building facade. On the left is a brick wall. To its right is a large window with a triangular pediment. Below this window is a smaller, rectangular window. To the right of the large window is a vertical section, possibly a door or another window, with a decorative frame. The drawing is a black and white line art.

Technical drawing of a roof plan. The roof is gabled, with the gable end on the left. A chimney is located on the left side of the roof. The roof is divided into two main sections by a ridge. The right section features a dormer with a gabled roof and a chimney. The drawing includes various structural details and dimensions.

This technical drawing illustrates a roof section. On the left, a chimney is shown with a small square vent on top. The roof is depicted with diagonal lines representing rafters. Below the roofline, a cross-section of a wall is shown, featuring a window with a wooden frame and a small decorative element on the left side. The drawing is a black and white line drawing.
