- d) purchase and drive to work zero emission vehicles.

2) Install EV fast charging points to promote the use of zero emission vehicles to serve the residential area.

The measures in the agreed scheme shall be maintained throughout the life of the development.

#### REASON

As the application site is within an Air Quality Management Area and within close proximity to the Uxbridge Road Air Quality Focus Area, and to reduce the impact on air quality in accordance with Policy EM8 of the Local Plan: Part 1 (2012), Policy DMEI 14 of the Hillingdon Local Plan: Part 2 (2020), Policies SI 1 and T4 of the London Plan (2021) and Paragraphs 180(e) and 192 of the National Planning Policy Framework (2023).

- 27 Prior to first occupation of the development, a post-construction monitoring report should be completed in line with the Greater London Authority's (GLA) Circular Economy Statement Guidance.

The post-construction monitoring report shall be submitted to the GLA, currently via email at: [circulareconomystatements@london.gov.uk](mailto:circulareconomystatements@london.gov.uk), along with any supporting evidence as per the guidance.

Confirmation of submission to the GLA shall be submitted to, and approved in writing by, the Local Planning Authority, prior to first occupation of the development.

#### REASON

In the interests of sustainable waste management and in order to maximise the re-use of materials, in accordance with Policy SI 7 of the London Plan (2021).

- 28 Prior to the first occupation of the development the post-construction tab of the Greater London Authority's (GLA) Whole Life-Cycle Carbon Assessment template should be completed in line with the GLA's Whole Life-Cycle Carbon Assessment Guidance.

The post-construction assessment should be submitted to the GLA at: [ZeroCarbonPlanning@london.gov.uk](mailto:ZeroCarbonPlanning@london.gov.uk), along with any supporting evidence as per the guidance.

Confirmation of submission to the GLA shall be submitted to, and approved in writing by, the Local

Planning Authority, prior to first occupation of the development.

#### **REASON**

In the interests of sustainable development and to maximise on-site carbon dioxide savings, in accordance with Policy SI 2 of the London Plan (2021).

- 29 Trees, hedges and shrubs shown to be retained on the approved plans shall not be damaged, uprooted, felled, lopped or topped without the prior written consent of the Local Planning Authority. If any retained tree, hedge or shrub is removed or severely damaged during construction, or is found to be seriously diseased or dying another tree, hedge or shrub shall be planted at the same place or, if planting in the same place would leave the new tree, hedge or shrub susceptible to disease, then the planting should be in a position to be first agreed in writing with the Local Planning Authority and shall be of a size and species to be agreed in writing by the Local Planning Authority and shall be planted in the first planting season following the completion of the development or the occupation of the buildings, whichever is the earlier. Where damage is less severe, a schedule of remedial works necessary to ameliorate the effect of damage by tree surgery, feeding or groundwork shall be agreed in writing with the Local Planning Authority. New planting should comply with BS 3936 (1992) 'Nursery Stock, Part 1, Specification for Trees and Shrubs' Remedial work should be carried out to BS BS 3998:2010 'Tree work - Recommendations' and BS 4428 (1989) 'Code of Practice for General Landscape Operations (Excluding Hard Surfaces)'. The agreed work shall be completed in the first planting season following the completion of the development or the occupation of the buildings, whichever is the earlier.

#### **REASON**

To ensure that the trees and other vegetation continue to make a valuable contribution to the amenity of the area in accordance with Policy DMHB 14 of the Hillingdon Local Plan Part 2 (2020) and to comply with Section 197 of the Town and Country Planning Act 1990.

- 30 The development shall not be occupied until confirmation has been submitted to and approved in writing by the Local Planning Authority that either: -

1. All surface water network upgrades required to accommodate the additional flows from the development have been completed; or-

2. A development and infrastructure phasing plan has been agreed with the Local Planning Authority in consultation with Thames Water to allow development to be occupied. Where a development and infrastructure phasing plan is agreed, no occupation shall take place other than in accordance with the agreed development and infrastructure phasing plan.

#### **REASON**

To ensure that adequate wastewater infrastructure capacity is provided in compliance with Policy SI 5 of the London Plan (2021).

### **INFORMATIVES**

- 1 The decision to GRANT planning permission has been taken having regard to all relevant planning legislation, regulations, guidance, circulars and Council policies, including The Human Rights Act (1998) (HRA 1998) which makes it unlawful for the Council to act incompatibly with Convention rights, specifically Article 6 (right to a fair hearing); Article 8 (right to respect for private and family life); Article 1 of the First Protocol (protection of property) and Article 14 (prohibition of discrimination).
- 2 In dealing with the application the Council has implemented the requirement in the National Planning Policy Framework to work with the applicant in a positive and proactive way. We have made available detailed advice in the form of our statutory policies from Local Plan Part 1, Local Plan Part 2, Supplementary Planning Documents, Planning Briefs and other informal written guidance, as well as

offering a full pre-application advice service, in order to ensure that the applicant has been given every opportunity to submit an application which is likely to be considered favourably.

- 3 You are advised that this permission has been granted subject to a legal agreement under Section 106 of the Town and Country Planning Act 1990.
- 4 Under the terms of the Planning Act 2008 (as amended) and Community Infrastructure Levy Regulations 2010 (as amended), this development is liable to pay the London Borough of Hillingdon Community Infrastructure Levy (CIL) and the Mayor of London's Community Infrastructure Levy (CIL). This will be calculated in accordance with the London Borough of Hillingdon CIL Charging Schedule 2014 and the Mayor of London's CIL Charging Schedule 2012. Before commencement of works the development parties must notify the London Borough of Hillingdon of the commencement date for the construction works (by submitting a Commencement Notice) and assume liability to pay CIL (by submitting an Assumption of Liability Notice) to the Council at [planning@hillingdon.gov.uk](mailto:planning@hillingdon.gov.uk). The Council will then issue a Demand Notice setting out the date and the amount of CIL that is payable. Failure to submit a valid Assumption of Liability Notice and Commencement Notice prior to commencement of the development may result in surcharges being imposed.

The above forms can be found on the planning portal at:

[www.planningportal.gov.uk/planning/applications/howtoapply/whattosubmit/cil](http://www.planningportal.gov.uk/planning/applications/howtoapply/whattosubmit/cil)

**Pre-Commencement Conditions:** These conditions are important from a CIL liability perspective as a scheme will not become CIL liable until all of the pre-commencement conditions have been discharged/complied with.

- 5 The Equality Act 2010 seeks to protect people accessing goods, facilities and services from discrimination on the basis of a 'protected characteristic', which includes those with a disability. As part of the Act, service providers are obliged to improve access to and within the structure of their building, particularly in situations where reasonable adjustment can be incorporated with relative ease. The Act states that service providers should think ahead to take steps to address barriers that impede disabled people.
- 6 Nuisance from demolition and construction works is subject to control under The Control of Pollution Act 1974, the Clean Air Acts and other related legislation. In particular, you should ensure that the following are complied with:-

A. Demolition and construction works which are audible at the site boundary shall only be carried out between the hours of 08.00 and 18.00 hours Monday to Friday and between the hours of 08.00 hours and 13.00 hours on Saturday. No works shall be carried out on Sundays, Bank or Public Holidays.

B. All noise generated during such works shall be controlled in compliance with British Standard Code of Practice BS 5228:2009.

C. Dust emissions shall be controlled in compliance with the Mayor of London's Best Practice Guidance' The Control of dust and emissions from construction and demolition.

D. No bonfires that create dark smoke or nuisance to local residents.

You are advised to consult the Council's Environmental Protection Unit ([www.hillingdon.gov.uk/noise](http://www.hillingdon.gov.uk/noise) Tel. 01895 250155) or to seek prior approval under Section 61 of the Control of Pollution Act if you anticipate any difficulty in carrying out construction other than within the normal working hours set out in (A) above, and by means that would minimise disturbance to adjoining premises.

The decision to GRANT planning permission has been taken having regard to the policies and proposals in the Hillingdon Local Plan Part 1 (2012) and Part 2 (2020) set out below, including

Supplementary Planning Guidance, and to all relevant material considerations, including The London Plan (2021) and national guidance.

## **RIGHTS OF APPLICANTS AGGRIEVED BY DECISION OF LOCAL PLANNING AUTHORITY**

### **TOWN AND COUNTRY PLANNING ACT 1990 (AS AMENDED)**

#### **Appeals to the Secretary of State**

- If you are aggrieved by the decision of your local planning authority to refuse permission for the proposed development or to grant it subject to conditions, then you can appeal to the office of the First Secretary of State under Section 78 of the Town and Country Planning Act 1990.
- If you want to appeal, then you must do so within six months of the date of this notice using a form which you can get from the Planning Inspectorate at Customer Support Unit, Room 3/15 Eagle Wing, Temple Quay House, 2 The Square, Temple Quay, Bristol, BS1 6PN (Tel. 0117 372 8428). Appeal forms can be downloaded from the Planning Inspectorate's website at [www.planningportal.gov.uk](http://www.planningportal.gov.uk).
- The Secretary of State can allow a longer period for giving notice of an appeal, but he will not normally be prepared to use this power unless there are special circumstances, which excuse the delay in giving notice of appeal.
- The Secretary of State need not consider an appeal if it seems to him that the local planning authority could not have granted planning permission for the proposed development or could not have granted it without the conditions they imposed, having regard to the statutory requirements, to the provisions of any development order and to any directions given under a development order.
- In Practice, the Secretary of State does not refuse to consider appeals solely because the local planning authority based their decision on a direction given by him.

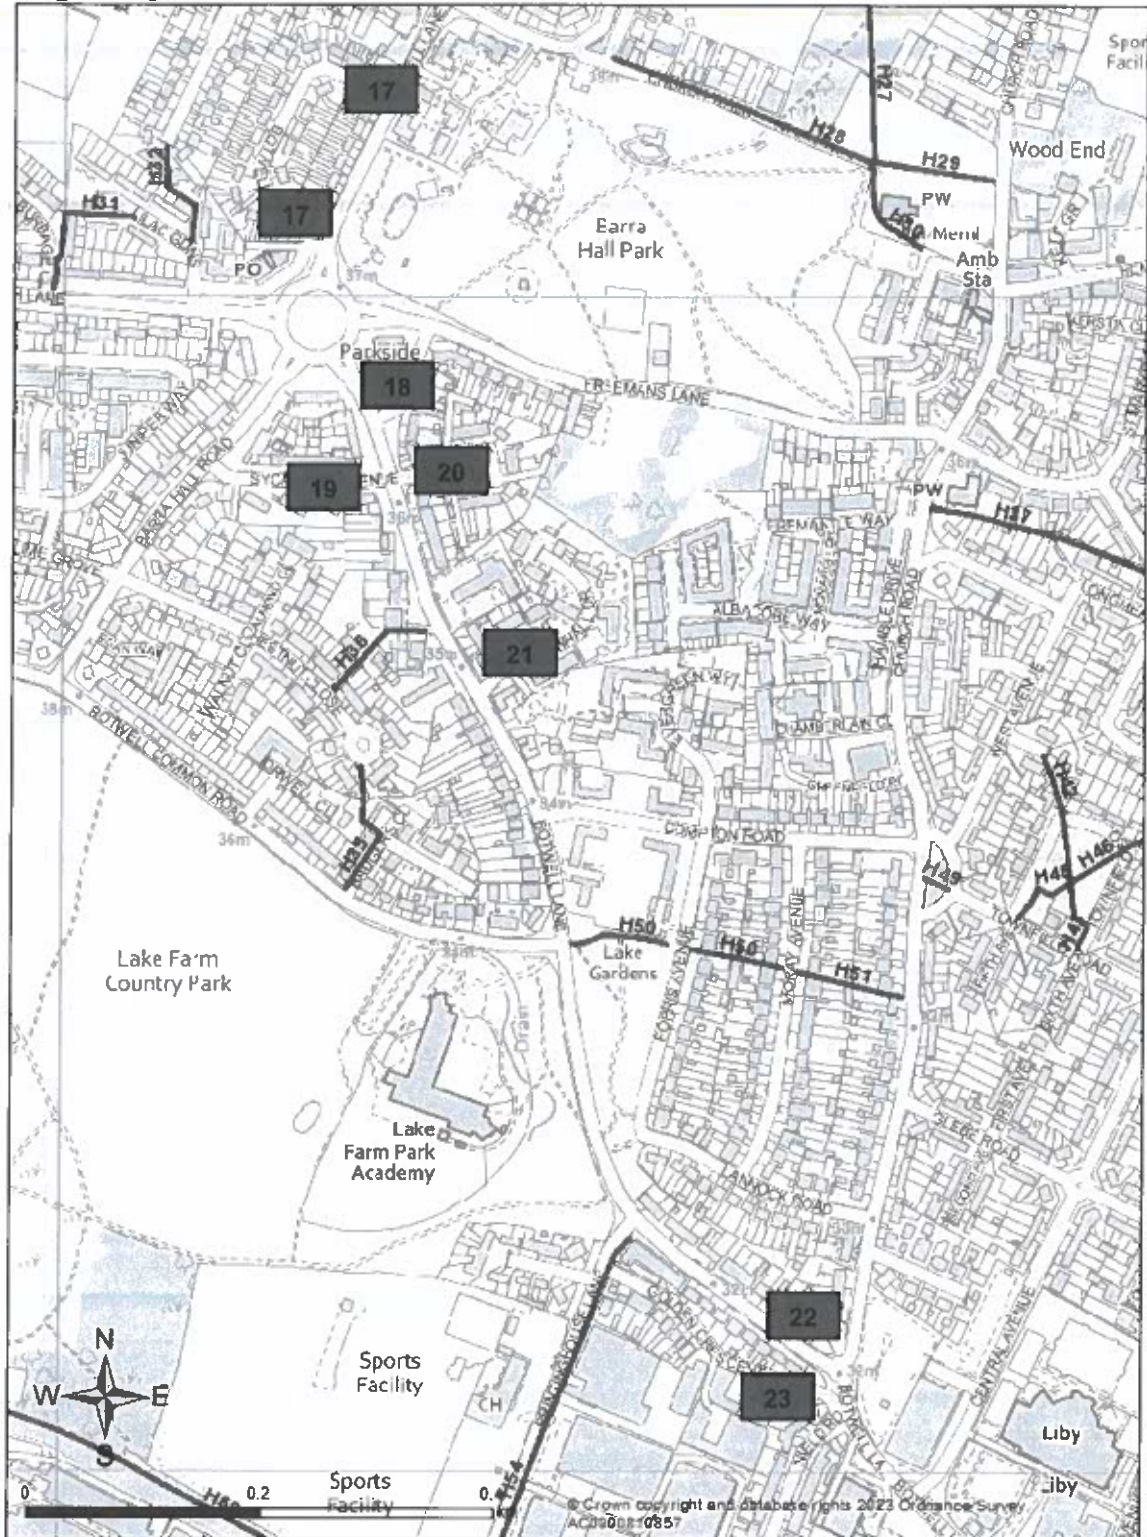

#### **Purchase Notices.**

- If either the local planning authority or the office of the First Secretary of State refuses permission to develop land or grants it subject to conditions, the owner may claim that he can neither put the land to a reasonably beneficial use in its existing state nor render the land capable of a reasonably beneficial use by carrying out of any development which has been or would be permitted.
- In these circumstances, the owner may serve a purchase notice on the Council (District Council, London Borough Council or Common Council of the City of London) in whose area the land is situated. This notice will require the Council to purchase his interest in the land in accordance with the provisions of Part VI of the Town and Country Planning Act 1990.
