

## General Notes

No implied licence exists. This drawing should not be used to calculate areas for the purposes of valuation.  
Do not scale this drawing for construction purposes. All dimensions to be checked on site by the contractor and such dimensions to be their responsibility.  
All work must comply with relevant British Standards and Building Regulations requirements. Drawing errors and omissions to be reported to the architect.

## Notes

### Notes:

All SEW drawings are based on:  
- Survey information by CSI Surveys, dated May 2021 (LO0-LO2 only, not basement).  
- Structural record drawings by Watermans Partnership, dated c.1999.  
- Architectural final construction drawings by SOM, dated c.1999.

For the purpose of this Planning submission, the existing building has been modelled in 3D, based on the survey information noted above. Due to the complexities of an existing building, the 3D model has been simplified to suit the design stage. This model is not based on a full strip out survey and all dimensions should be checked on site at the next workstage.

DWGs have been exported from Revit model 0447-SEW-22-ZZ-M3-A-00000. To be read in conjunction with PDRs issued within the same revision.

This design has been prepared for Planning purposes only and is not for setting out or Construction purposes. Information is subject to change following detailed design development and Contractor input.

Drawings to be read in conjunction with:  
- All SEW site information and GAs
