☐ Yes ☒ No

If you have answered Yes above, the proposal will exceed the limits set by legislation. In this circumstance, you should not continue with this application and seek advice from the Local Planning Authority on the best course of action.

Was the current building constructed between 1 July 1948 and 5 March 2018?

☒ Yes ☐ No

If you have answered No above, the proposal will exceed the limits set by legislation. In this circumstance, you should not continue with this application and seek advice from the Local Planning Authority on the best course of action.

On 5 March 2018, was the building in use as:

- shops (Use Class A1), financial and professional services (Use Class A2), restaurants and cafes (Use Class A3), offices (Use Class B1a), a betting office, pay day loan shop, launderette or a mix of any of these uses; or
- dwellinghouses (Use Class C3) including as a mixed use with any of the above

☒ Yes ☐ No

If you have answered No above, the proposal will exceed the limits set by legislation. In this circumstance, you should not continue with this application and seek advice from the Local Planning Authority on the best course of action.

Will the proposed additional storeys only be constructed on the principal part of the building (i.e. the main part of the building excluding any front, side or rear extension of a lower height, whether this forms part of the original building or a subsequent addition)?

☒ Yes ☐ No

If you have answered No above, the proposal will exceed the limits set by legislation. In this circumstance, you should not continue with this application and seek advice from the Local Planning Authority on the best course of action.

Would the floor to ceiling height, measured internally, of any proposed additional storey exceed:

- 3 metres; or
- the floor to ceiling height, measured internally, of any existing storey of the principal part of the existing building

☐ Yes ☒ No

If you have answered Yes above, the proposal will exceed the limits set by legislation. In this circumstance, you should not continue with this application and seek advice from the Local Planning Authority on the best course of action.

Will all the proposed new dwellinghouses be flats (i.e. separate and self-contained premises constructed for use for the purposes of a dwellinghouse)?

☒ Yes ☐ No

If you have answered No above, the proposal will exceed the limits set by legislation. In this circumstance, you should not continue with this application and seek advice from the Local Planning Authority on the best course of action.

4. Eligibility (continued)

Would the proposed extended building's:

- height exceed 30 metres (as measured from ground level to the highest part of the roof, not including plant); or
- roof be more than 7 metres higher than the highest part of the existing roof (not including plant, in each case)

☐ Yes ☒ No

If you have answered Yes above, the proposal will exceed the limits set by legislation. In this circumstance, you should not continue with this application and seek advice from the Local Planning Authority on the best course of action.

Will any proposed engineering operations reasonably necessary to construct the additional storeys and new dwellinghouses include:

- provision of visible support structures on or attached to the exterior of the building upon completion of the development; or
- anything other than works within the existing curtilage of the building to strengthen existing walls; strengthen existing foundations; or install or replace water, drainage, electricity, gas or other services

☐ Yes ☒ No

If you have answered Yes above, the proposal will exceed the limits set by legislation. In this circumstance, you should not continue with this application and seek advice from the Local Planning Authority on the best course of action.

Will any works for the replacement of existing plant or installation of additional plant on the roof of the extended building reasonably necessary to service the new dwellinghouses include:

- Installation of plant where none currently exists; or
- Increasing the height of any installed plant (i.e. as measured before and after from the lowest surface of the roof on the principal part of the building)

☐ Yes ☒ No

If you have answered Yes above, the proposal will exceed the limits set by legislation. In this circumstance, you should not continue with this application and seek advice from the Local Planning Authority on the best course of action.

Will any works for the construction of appropriate and safe access to and egress from the new and existing dwellinghouses (including means of escape from fire, via additional external doors or external staircases) extend beyond the curtilage of the existing building?

☐ Yes ☒ No

If you have answered Yes above, the proposal will exceed the limits set by legislation. In this circumstance, you should not continue with this application and seek advice from the Local Planning Authority on the best course of action.

Will any works for the construction of storage, waste or other ancillary facilities reasonably necessary to support the new dwellinghouses:

- extend beyond the curtilage of the existing building;
- be situated on land forward of a wall forming the principal elevation of the existing building; or
- be situated on land forward of a wall fronting a highway and forming a side elevation of the existing building

☐ Yes ☒ No

If you have answered Yes above, the proposal will exceed the limits set by legislation. In this circumstance, you should not continue with this application and seek advice from the Local Planning Authority on the best course of action.

Is any part of the land or site on which the building is located:
