Dear Manager,

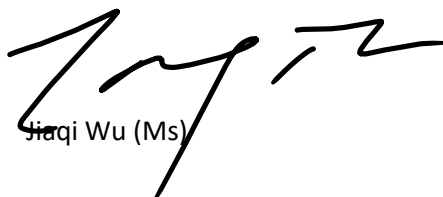

Re: Conversion of Garage to Living Room

I am writing to apply for planning permission for conversion of garage to living room. Please find the following enclosed drawings for your reference:

1. Photo of the house taken from front which shows the garage and the main house.
2. The ground floor plan of the house which shows the ground floor plan before and after conversion.
3. Bird view of the house before and after conversion
4. Front view of the house before and after conversion
5. Side view of the house before and after conversion
6. Land registry – NGL 174 299

I would be grateful if you could review my application and instruct me how to proceed.

Kind regards,

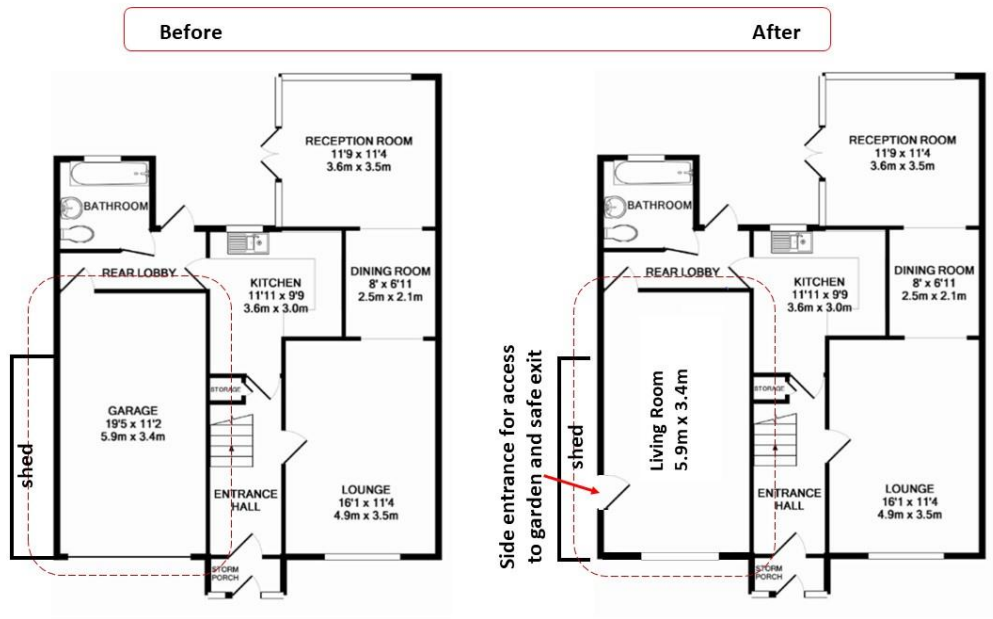

Jiaqi Wu (Ms)
