Details of the pre-application advice received

This application is in response to our previous application with reference 13926/APP/2021/70, that has been refused. In our point of view our application has refused us the opportunity to withdraw and revised the observations made by the council, which were simple to address as the plans to this new application reflect.

My client (the applicant) and my self (the agent) had tried to contacted the planning officer trough emails and telephone calls weeks before a decision on our application was made . At no point before the decision had the Planning Officer, neither the Hillingdon council trough their planning department, had the courtesy of returned our calls or emails. Which is utterly unprofessional, to me as an agent and to my client as a constituent of the borough. Causing us not only delays on the works to commence but also frustration and unnecessary stress to the applicant.

14. Authority Employee/Member

With respect to the Authority, is the applicant and/or agent one of the following:

- (a) a member of staff
(b) an elected member
(c) related to a member of staff
(d) related to an elected member

It is an important principle of decision-making that the process is open and transparent. ☐ Yes ☒ No

For the purposes of this question, "related to" means related, by birth or otherwise, closely enough that a fair-minded and informed observer, having considered the facts, would conclude that there was bias on the part of the decision-maker in the Local Planning Authority.

Do any of the above statements apply?

15. Ownership Certificates and Agricultural Land Declaration

CERTIFICATE OF OWNERSHIP - CERTIFICATE A - Town and Country Planning (Development Management Procedure) (England) Order 2015 Certificate under Article 14

I certify/The applicant certifies that on the day 21 days before the date of this application nobody except myself/the applicant was the owner* of any part of the land or building to which the application relates, and that none of the land to which the application relates is, or is part of, an agricultural holding**

* 'owner' is a person with a freehold interest or leasehold interest with at least 7 years left to run. ** 'agricultural holding' has the meaning given by reference to the definition of 'agricultural tenant' in section 65(8) of the Act.

NOTE: You should sign Certificate B, C or D, as appropriate, if you are the sole owner of the land or building to which the application relates but the land is, or is part of, an agricultural holding.
