There will be no external changes apart from Internal Wiring to comply with BS7672 and Fire Regulations

Does the proposal consist of, or include, a change of use of the land or building(s)?

Is the proposed operation or use

- ☒ Permanent
☐ Temporary

Why do you consider that a Lawful Development Certificate should be granted for this proposal?

In terms of the nature of the proposed use, as opposed to its Use Class, paragraph 25 of Circular 05/2010 is relevant. It states that the criteria for determining whether the use of particular premises should be classified within the C3 use class include both the manner of the use and the physical condition of the premises. The circular states that the premises can properly be regarded as being used as a single dwelling house where they are either a self-contained planning unit distinct from any other part of the building containing them or to be designed or adapted for residential purposes.
