Details of the pre-application advice received

Hi Pratik,

Thanks for that.

I believe my interpretation of the regulations may well have been a little too fierce as the limitation only applies to the front (principal) elevation of the property and I believe you are referring to the side element adjacent to King Edwards Road, which would not form part of the principal elevation:-

So there would not be any limitation on the materials you use.

Please note that the comments made in this email represent officer opinion and cannot be seen to prejudice the Local Planning Authority's formal determination in relation to any application or planning matter.

Authority Employee/Member

With respect to the Authority, is the applicant and/or agent one of the following:

- (a) a member of staff
- (b) an elected member
- (c) related to a member of staff
- (d) related to an elected member

It is an important principle of decision-making that the process is open and transparent.

For the purposes of this question, "related to" means related, by birth or otherwise, closely enough that a fair-minded and informed observer, having considered the facts, would conclude that there was bias on the part of the decision-maker in the Local Planning Authority.

Do any of the above statements apply?

- ☐ Yes
- ☒ No
