

NOTE: Hip-to-Gable, Dormer Loft Conversion
Proposed under Lawful Development, not
part of this Full Planning Application

All drawings measurements are approximate, dimensions should not be scaeld from the drawings..

This drawing and cad data therein is protected by copyright and must not be copied or reproduced without the written consent of the consultant

All works must comply with Local Authority Planning and Building Regulations, relevant Codes of Practice, and British Standards. Obtain necessary approvals, including Party Wall Agreements and Thames Water permissions (if within 3 meters of public sewers), before commencing work.

The contractor must verify all dimensions and details on-site.

Report any discrepancies between drawings, or between drawings and site conditions, to the ,Consultant immediately.

Existing conditions and load-bearing walls are subject to on-site inspection and verification. Adjustments to structural details must be approved before execution.

Garden and neighboring property ground levels are approximate and must be confirmed on-site.

All materials must comply with manufacturer guidelines, British Standards, and Building Regulations.

No part of the works may encroach on neighboring properties without prior agreement.
