Details of the pre-application advice received

The revised plans in principle look like they could be acceptable. However, this submission would need to address any concerns with neighbouring amenities as highlighted in my previous email. For example, on the first floor plan please add the neighbouring properties and add the 45 degree sight lines, this would aid assessment during the submission.

Authority Employee/Member

- (a) a member of staff**
- (b) an elected member**
- (c) related to a member of staff**
- (d) related to an elected member**

It is an important principle of decision-making that the process is open and transparent.

For the purposes of this question, "related to" means related, by birth or otherwise, closely enough that a fair-minded and informed observer, having considered the facts, would conclude that there was bias on the part of the decision-maker in the Local Planning Authority.
