

N

RIDGE LEVEL  $\frac{+8.567}{\text{---}}$

A line drawing of a two-story house. The house has a gabled roof with three chimneys. The front facade features a central entrance with a small porch, flanked by windows. There are also windows on the upper floor. The drawing is simple, using only black outlines on a white background.

A line drawing of a house facade. The house has a gabled roof with two chimneys. The left chimney is on the left side of the roof, and the right chimney is on the right side. The facade features a large window on the left, a smaller window in the center, and a window on the right. There is also a large window on the ground floor on the left and a smaller window on the ground floor on the right. The drawing is simple and uses only black lines on a white background.

A simple line drawing of a house. It features a gabled roof with two chimneys on the left side. The house has a small porch on the right side and a window with a flower box. The drawing is composed of black outlines on a white background.
