emailed response (citing nearby similarly extended properties); this would appear a proposal suitable for consideration by the council regarding a 2.3m deep single storey rear extension (5m deep in part due to current step-in to the current kitchen position) and approx 2.7m deep first-floor rear extension and raising of the existing ridge similarly to that proposed and approved at nearby 17 Broadwood Avenue, and to better match the (slightly steeper original) pitch of the existing front gables at 64 and 66 Broadwood Avenue is worthy of council consideration.
