1. CONSIDERATIONS

1.1 Site and Locality

The application relates to a single storey detached property located on Cardinal Road. The area to the front of the property, within the curtilage of the site, is partly covered in grass and part covered in hardstanding, and provides space to park 2 vehicles.

The application site is not designated within a Conservation Area, nor an Area of Special Local Character. The site does not contain any Listed Buildings.

1.2 Proposed Scheme

Erection of a single storey rear extension and a front porch, following partial demolition of the existing outbuilding to the rear garden.

1.3 Relevant Planning History

Comment on Planning History

Outlined above.

2. Advertisement and Site Notice

2.1 Advertisement Expiry Date: Not applicable

2.2 Site Notice Expiry Date: Not applicable

3. Comments on Public Consultations

5 neighbouring properties were consulted on 06-07-26. Consultation expired on 27-07-26.

No comments were received.

4. Local Plan Designation and London Plan

The following Local Plan Policies are considered relevant to the application:-

Part 1 Policies:

PT1.BE1	(2012) Built Environment

Part 2 Polices:

NPPF4 -24	NPPF4 2024 - Decision making
LPP D4	(2021) Delivering good design
DMT 6	Vehicle Parking
DMHD 1	Alterations and Extensions to Residential Dwellings
DMHB 11	Design of New Development
DMHB 12	Streets and Public Realm
DMHB 18	Private Outdoor Amenity Space

5. MAIN PLANNING ISSUES

The main considerations are the design and impact on the character of the existing property, the impact upon the streetscene and locality, the impact upon the amenities of adjoining occupiers, the reduction in size of the rear garden and car parking provision.

Character and Appearance:

Policy BE1 of the Hillingdon Local Plan: Part One Strategic Policies (2012) seeks a quality of design in all new development that enhances and contributes to the area in terms of form, scale and materials; is appropriate to the identity and context of the townscape; and would improve the quality of the public realm and respect local character.

Policy DMHB 11 of the Hillingdon Local Plan: Part Two - Development Management Policies (2020) states that new development will be required to be designed to the highest standards and incorporate principles of good design including: i) harmonising with the local context by taking into account the surrounding scale of development, considering the height, mass and bulk of adjacent structures.

Policy DMHD 1 of the Hillingdon Local Plan: Part Two - Development Management Policies (2020) states that alterations and extensions to dwellings should not have an adverse cumulative impact

on the character and appearance of the street scene, and should appear subordinate to the main dwelling.

With regard to rear extensions, Policy DMHD 1 of the Hillingdon Local Plan: Part Two - Development Management Policies (2020) states that:
i) single storey rear extensions on terraced or semi-detached houses with a plot width of 5 metres or less should not exceed 3.3 metres in depth or 3.6 metres where the plot width is 5 metres or more;
ii) single storey rear extensions to detached houses with a plot width of 5 metres or more should not exceed 4.0 metres in depth;
iii) flat roofed single storey extensions should not exceed 3.0 metres in height and any pitched or sloping roofs should not exceed 3.4 metres in height, measured from ground level;
iv) in Conservation Areas and Areas of Special Local Character, flat roofed single storey extensions will be expected to be finished with a parapet;

THE SCHEME:

Erection of a single storey rear extension and a front porch, following partial demolition of the existing outbuilding to the rear garden.

REAR:

A rear extension is proposed which would measure approx. 4m in depth and 3m in height with a flatroof and extend a width of 5.9m. This element would be built off the rear wall and would be acceptable in height and depth; making it an acceptable feature designed appropriately and in line with Policy DMHD1. Given this and the fact that this element cannot be seen from the front elevation, there are no concerns raised. This element would only extend 3.2m past the rear wall of the neighbouring property given the orientation of the property next door (107 Cardinal Road). therefore no concerns are raised.

A condition is recommended to ensure the development is externally finished in materials matching those used on the original host dwelling.

Front porch:

A front porch which measures approx. 1.2m in width, 2.3m in depth and 2.6m in height is proposed which would sit on the front elevation. This element has been designed appropriately and in accordance with Policy DMHD1. Given this this element is acceptable.

OTHER:

The scheme seeks to reduce the size of the outbuilding to accommodate the rear element which is acceptable.

OVERALL:

Having regard to the above, it is considered that the proposal would not cause harm to the character and appearance of the host dwelling and the surrounding area. The proposal would be acceptable with the overarching objectives of Policy DMHD 1 of the Hillingdon Local Plan: Part Two - Development Management Policies (2020), NPPF (2024), Policy BE1 of the Hillingdon Local Plan:

Part One Strategic (2012) and Policies DMHB 11 and DMHB 12 of the Hillingdon Local Plan: Part Two - Development Management Policies (2020).

Residential Amenity:

Policy DMHD 1 of the Hillingdon Local Plan: Part Two - Development Management Policies (2020) states that planning applications relating to alterations and extensions of dwellings will be required to ensure that: ii) a satisfactory relationship with adjacent dwellings is achieved; and v) there is no unacceptable loss of outlook to neighbouring occupiers. Policy DMHB 11 of the Hillingdon Local Plan: Part Two - Development Management Policies (2020) seeks to ensure that development proposals do not adversely impact on the amenity, daylight and sunlight of adjacent properties and open space.

The application site benefits from adjoining neighbours, No. 107 Cardinal Road. No. 103 is the detached property and would not be impacted by the development given the set in of the rear element by approx. 2.2m.

Number 107 Cardinal has not been extended however given the orientation of the property and the acceptable design of the rear element, there are limited concerns raised. No objections has been received either.

The front extension would be set in from the boundary and not located close to any neighbours.

The proposed extension by reason of its size, scale and location would not have an adverse impact on the residential amenities and light levels of the adjoining and nearby properties.

Given the proposal is compliant with Policy DMHD 1 in terms of the depth, combined with the acceptable design and the element being modest, there are no overdevelopment. The lack of windows on the side elevation on the rear also means that the extension would be acceptable and compliant with DMHD1 in terms of limited overlooking and overbearing impacts.

Overall, by reason of its overall position, design and depth, the proposal would not result in an overbearing development, cause an unacceptable loss of outlook, privacy or significant loss of light.

It is therefore considered that the proposal would not cause unacceptable harm to the living conditions of neighbouring occupiers. The proposal would therefore comply with the objectives of the NPPF (2024) and Policies DMHD 1 and DMHB 11 of the Hillingdon Local Plan: Part Two - Development Management Policies (2020), in this respect.

Furthermore, it is considered that all the proposed habitable rooms, and those altered by the proposed development, would maintain an adequate outlook and source of natural light, therefore complying with Policy D6 of the London Plan (2021).

External Amenity Space Provision:

Policy DMHB 1 requires extension proposals to retain an adequate amount of amenity space. Policy DMHB 18 expects a minimum 60sq.m of private amenity space to be provided and the proposal would exceed this, in accordance with policy.

Parking and Highways Safety:

The property benefits from hard-standing to the front of the site and the proposed extension is not

of a scale such as to justify provision of additional parking. It is therefore considered that the proposal would not significantly exacerbate the demand for street parking or prejudice highway safety, in accordance with DMT 6 of the Hillingdon Local Plan: Part Two - Development Management Policies (2020).

Conclusion:

It is considered that the proposed development would not cause harm to the character and appearance of the host dwelling and the surrounding area. Furthermore, the proposed development would not unduly impact on the living conditions of neighbouring occupiers. The proposal would comply with the relevant overarching objectives of Policy DMHD 1 of the Hillingdon Local Plan: Part Two - Development Management Policies (2020), Hillingdon Local Plan Parts 1 and 2. The application is therefore recommended for approval, subject to conditions.

6. RECOMMENDATION

APPROVAL subject to the following:

1. HO1 Time Limit

The development hereby permitted shall be begun before the expiration of three years from the date of this permission.

REASON
To comply with Section 91 of the Town and Country Planning Act 1990.

2. HO2 Accordance with approved

The development hereby permitted shall not be carried out except in complete accordance with the details shown on drawings numbered:

RODRIGUES/PLAN/002
RODRIGUES/PLAN/003
Proposed Site Plan

REASON
To ensure the development complies with the provisions of the Hillingdon Local Plan Part 1 (2012) and Part 2 (2020), and the London Plan (2021).

3. HO4 Materials

The materials to be used in the construction of the external surfaces of the development hereby permitted shall be as indicated on the approved drawings and shall thereafter be retained as such.

REASON
To safeguard the visual amenities of the area and to ensure that the proposed development does not have an adverse effect upon the appearance of the existing building in accordance with Policy DMHB 11 of the Hillingdon Local Plan Part 2 (2020).

4. HO5 No additional windows or doors

Notwithstanding the provisions of the Town and Country Planning (General Permitted

Development) Order 2015 (as amended) (or any order revoking and re-enacting that Order with or without modification), no additional windows, doors or other openings shall be constructed in the walls of the development hereby approved.

REASON
To prevent overlooking to adjoining properties in accordance with policy DMHB 11 of the Hillingdon Local Plan Part 2 (2020).

INFORMATIVES

1. On this decision notice policies from the Councils Local Plan: Part 1 - Strategic Policies appear first, then relevant Local Plan Part 2 (2020), then London Plan Policies (2016). Hillingdon's Full Council adopted the Hillingdon Local Plan: Part 1 - Strategic Policies on 8 November 2012 and the Hillingdon Local Plan Part 2 on 16 January 2020.

2. Nuisance from demolition and construction works is subject to control under The Control of Pollution Act 1974, the Clean Air Acts and other related legislation. In particular, you should ensure that the following are complied with:-

   A. Demolition and construction works which are audible at the site boundary shall only be carried out between the hours of 08.00 and 18.00 hours Monday to Friday and between the hours of 08.00 hours and 13.00 hours on Saturday. No works shall be carried out on Sundays, Bank or Public Holidays.

   B. All noise generated during such works shall be controlled in compliance with British Standard Code of Practice BS 5228:2009.

   C. Dust emissions shall be controlled in compliance with the Mayor of London's Best Practice Guidance' The Control of dust and emissions from construction and demolition.

   D. No bonfires that create dark smoke or nuisance to local residents.

   You are advised to consult the Council's Environmental Protection Unit (www.hillingdon.gov.uk/noise Tel. 01895 250155) or to seek prior approval under Section 61 of the Control of Pollution Act if you anticipate any difficulty in carrying out construction other than within the normal working hours set out in (A) above, and by means that would minimise disturbance to adjoining premises.

3. The Council will recover from the applicant the cost of highway and footway repairs, including damage to grass verges.

   Care should be taken during the building works hereby approved to ensure no damage occurs to the verge or footpaths during construction. Vehicles delivering materials to this development shall not override or cause damage to the public footway. Any damage will require to be made good to the satisfaction of the Council and at the applicant's expense.

   For further information and advice contact - Highways Maintenance Operations, Central Depot - Block K, Harlington Road Depot, 128 Harlington Road, Hillingdon, Middlesex, UB3 3EU (Tel: 01895 277524).

   For Private Roads: Care should be taken during the building works hereby approved to

ensure no damage occurs to the verge of footpaths on private roads during construction. Vehicles delivering materials to this development shall not override or cause damage to a private road and where possible alternative routes should be taken to avoid private roads. The applicant may be required to make good any damage caused.

4. The decision to GRANT planning permission has been taken having regard to all relevant planning legislation, regulations, guidance, circulars and Council policies, including The Human Rights Act (1998) (HRA 1998) which makes it unlawful for the Council to act incompatibly with Convention rights, specifically Article 6 (right to a fair hearing); Article 8 (right to respect for private and family life); Article 1 of the First Protocol (protection of property) and Article 14 (prohibition of discrimination).

Standard Informatives

1. The decision to GRANT planning permission has been taken having regard to all relevant planning legislation, regulations, guidance, circulars and Council policies, including The Human Rights Act (1998) (HRA 1998) which makes it Article 6 (right to a fair hearing); Article 8 (right to respect for private and family life); Article 1 of the First Protocol (protection of property) and Article 14 (prohibition of discrimination).

2. The decision to GRANT planning permission has been taken having regard to the policies and proposals in the Hillingdon Local Plan Part 1 (2012) and Part 2 (2020) set out below, including Supplementary Planning Guidance, and to all relevant material considerations, including The London Plan - The Spatial Development Strategy for London consolidated with alterations since 2011 (2016) and national guidance.

3. You are advised this permission is based on the dimensions provided on the approved drawings as numbered above. The development hereby approved must be constructed precisely in accordance with the approved drawings. Any deviation from these drawings requires the written consent of the Local Planning Authority.

4. You are advised that if any part of the development hereby permitted encroaches by either its roof, walls, eaves, gutters, or foundations, then a new planning application will have to be submitted. The validity of this planning permission may be challengeable by third parties if the

development results in any form of encroachment onto land outside the applicant's control that is considered to cause harm to local amenity.

5. Your attention is drawn to the need to comply with the relevant provisions of the Building Regulations, the Building Acts and other related legislation. These cover such works as - the demolition of existing buildings, the erection of a new building or structure, the extension or alteration to a building, change of use of buildings, installation of services, underpinning works, and fire safety/means of escape works. Notice of intention to demolish existing buildings must be given to the Council's Building Control Service at least 6 weeks before work starts. A completed application form together with detailed plans must be submitted for approval before any building work is commenced. For further information and advice, contact - Building Control, 3N/01 Civic Centre, Uxbridge (Telephone 01895 558170).

6. You have been granted planning permission to build a residential extension. When undertaking demolition and/or building work, please be considerate to your neighbours and do not undertake work in the early morning or late at night or at any time on Sundays or Bank Holidays. Furthermore, please ensure that all vehicles associated with the construction of the development hereby approved are properly washed and cleaned to prevent the passage of mud and dirt onto the adjoining highway. You are advised that the Council does have formal powers to control noise and nuisance under The Control of Pollution Act 1974, the Clean Air Acts and other relevant legislation. For further information and advice, please contact - Environmental Protection Unit, 4W/04, Civic Centre, High Street, Uxbridge, UB8 1UW (Tel. 01895 250190).

7. The Party Wall Act 1996 requires a building owner to notify, and obtain formal agreement from, any adjoining owner, where the building owner purposes to:
   - carry out work to an existing party wall:
   - build on the boundary with a neighbouring property;
   - in some circumstances, carry out groundworks within 6 metres of an adjoining building.
   Notification and agreements under this Act are the responsibility of the building owner and are quite separate from Building Regulations, or Planning Controls. The Building Control Service will assume that an applicant has obtained any necessary agreements with the adjoining owner, and nothing said or implied by the Council should be taken as removing the necessity for the building owner to comply fully with the Party Wall Act. Further information and advice is to be found in 'The Party Walls etc. Act - 1996 - Explanatory Booklet' published by the Department for Communities and Local Government.

8. Your attention is drawn to the fact that the planning permission does not override property rights and any ancient rights of light that may exist. This permission does not empower you to enter onto land not in your ownership without the specific consent of the owner. If you require further information or advice, you should consult a solicitor.

9. Nuisance from demolition and construction works is subject to control under The Control of Pollution Act 1974, the Clean Air Acts and other related legislation. In particular, you should ensure that the following are complied with: -

   A) Demolition and construction works should only be carried out between the hours of 08.00 hours and 18.00 hours Monday to Friday and between the hours of 08.00 hours and 13.00 hours on Saturday. No works shall be carried out on Sundays Bank and Public Holidays.

   B) All noise generated during such works should be controlled in compliance with British Standard Code of Practice BS 5228: 1984.

C) The elimination of the release of dust or odours that could create a public health nuisance.

D) No bonfires that create dark smoke or nuisance to local residents.

You are advised to consult the Council's Environmental Protection Unit, 3S/02, Civic Centre, High Street, Uxbridge, UB8 1UW (Tel.01895 277401) or to seek prior approval under Section 61 of the Control of Pollution Act if you anticipate any difficulty in carrying out construction other than within the normal working hours set out in (A) above, and by means that would minimise disturbance to adjoining premises.

10. You are advised that care should be taken during the building works hereby approved to avoid spillage of mud, soil or related building materials onto the pavement or public highway. You are further advised that failure to take appropriate steps to avoid spillage or adequately clear it away could result in action being taken under the Highways Act.

11. To promote the development of sustainable building design and construction methods, you are encouraged to investigate the use of renewable energy resources which do not produce any extra carbon dioxide (CO2) emissions, including solar, geothermal and fuel cell systems, and use of high quality insulation.

12. You are advised that care should be taken during the building works hereby approved to ensure no damage occurs to the verge or footpaths during construction. Vehicles delivering materials to this development shall not override or cause damage to the public footway. Any damage will require to be made good to the satisfaction of the Council and at the applicant's expense.
