Non-Material Amendment(s) Sought

Please describe the non-material amendment(s) you are seeking to make

Please state why you wish to make this amendment

We wish to make this amendment to enable the side extension ceiling height in this hatched area to match that of the ceiling height in the kitchen diner. Currently there will be a 220mm drop in roof height in this area which is causing an unsightly step and it is also causing significant problems with kitchen planning and cooker extractor heights etc.

This small increase in height in this small area would significantly improve the living space in this area.

Are you intending to substitute amended plans or drawings?

☐ No

If yes, please complete the following details

With respect to the Authority, is the applicant and/or agent one of the following:

(a) a member of staff

(b) an elected member

(c) related to a member of staff

(d) related to an elected member

It is an important principle of decision-making that the process is open and transparent.

For the purposes of this question, "related to" means related, by birth or otherwise, closely enough that a fair-minded and informed observer, having considered the facts, would conclude that there was bias on the part of the decision-maker in the Local Planning Authority.

Do any of the above statements apply?

☐ Yes

☒ No
