Details of the pre-application advice received

This pre-application request seeks advice relating to a s96A application to amend the description of development and a s73 application to amend Condition 23 of planning consent reference 16299/R/93/0504. The principle of development would be subject to submission and assessment of a RIA (Retail Impact Assessment). Concerns regarding transport impacts have been raised and any formal application which is submitted should be accompanied by a Transport Assessment which responds to these concerns. In addition the applicant should consider increasing the level of soft landscaping to improve the proposed car park layout.

With respect to the Authority, is the applicant and/or agent one of the following:

- (a) a member of staff
- (b) an elected member
- (c) related to a member of staff
- (d) related to an elected member

It is an important principle of decision-making that the process is open and transparent.

For the purposes of this question, "related to" means related, by birth or otherwise, closely enough that a fair-minded and informed observer, having considered the facts, would conclude that there was bias on the part of the decision-maker in the Local Planning Authority.
