

Do not scale from this drawing. Use figured dimensions only. Figured dimensions are in millimetres. All dimensions and levels shall be verified on site before proceeding with works. Detailed site survey to be carried out to verify position of proposed works in relation to existing and proposed boundaries. Boundaries are indicative only and to be verified by others. The architect must be notified of any deviation from the proposed boundary. It is the responsibility of the contractor to verify the proposed boundary and the specification as contractor designed. 'construction' information relating to those components on the drawing represent design intent only.
